**a) Gray Secession Committee – Jennifer White, Chairperson**

The Gray Secession Committee Chair, Jennifer White has asked the following, *"After consulting with Attorney Ann Robinson from Pierce Atwood on the upcoming state hearing, she has highly recommended that we should ask for a letter from Raymond Town Officials stating that the Town of Raymond is interested in having us be annexed to them and possibly mentioning that geographically it makes sense and even mentioning that Raymond has provided fire and rescue services to our area for 50+ years would be helpful. The letter would be included in a packet of information given to each legislator of the State and Local Government Committee that is holding our hearing."*

Following are the steps the committee has taken thus far and the steps that complete the process. Those with a number are the steps from MRSA 30-A, Chapter 113, Part 2, Subchapter 2 – Secession Process.
