b) Proposed FY 2023-2024 CPC Budget Discussion

There was discussion surrounding the costs other towns have paid and that this will be at least a 2 year process and the full amount does not need to be budgeted right now. The committee did not want to know the cost submitted until after the interview at the next meeting. The costs in the proposal were from several years ago and some of the other towns did a good deal of the work or contracted GPCOG.

Motion to request \$50,000 be added to the FY 2023-2024 budget, and to carry forward to FY 2023-2024 the balance left (if any) at the end of FY 2022-2023 of the \$10,000 already allocated for the Comprehensive Plan Update by Co-Chair Leavitt. Seconded by Mr McDermott.
