This list was posted December 22, 2020. If you have donated since then, thank you too! Contributions for the Beautification Committee's plantings are very much appreciated any time of year.

Thank you to Jessica Fay at Maine Lakes Wedding and Event Florist for getting the wreaths and for donating her skill and labor for the bows!
Thanks to Don McClellan for helping with logistics and putting the bows on the wreaths.

And thank you to Raymond Public Works for hanging all the wreaths on the light poles!
