

# Gateway to Raymond Wreaths

Seasonal decorating evokes the spirit of home and family and connects citizens to community.

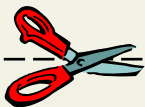

The **Raymond Beautification Committee**, in collaboration with the **Raymond Vitalization Committee**, is purchasing **70 large wreaths** for the Business Corridor. Maine Lakes Wedding Event Florist is getting them in bulk for us at cost (\$21.50 each) and making the bows herself. The wreaths will hang throughout December on each decorative light pole in the Route 302 Improvement Project area. We need your help to fund the project and **we will not be going door-to-door this year to request donations.**

To make a **tax deductible donation**, please write a check to the **Town of Raymond**, and note that it is “**for Beautification Committee.**”
