Memorandum

Date: February 14, 2014

To: Board of Selectmen & Budget-Finance Committee

From: Don Willard, Town Manager 🦪

Re: FY 2014-15 Budget Presentation

I am enclosing the FY 2014-15 Town Manager's municipal budget submittal for your review and consideration. This year's budget review with the Board of Selectmen and Budget Finance Committee will be held on Thursday, February 20th and Monday, March 10th, each meeting beginning at <u>6:30 pm</u> at the Broadcast Studio. I would encourage members of the Budget Committee and or Selectmen to contact me at <u>don.willard@raymondmaine.org</u> if you have any questions prior to that meeting.

In order to help guide the budget development process, the Board of Selectmen provided the following desired performance measures:

- 1. Explore options that could be revenue neutral or minimal increase to meet expected core services.
- 2. Continue to explore privatization and outsourcing of services for cost savings.
- 3. Explore working with neighboring towns and Cumberland County government to cut costs and/or improve services.
- 4. Maintain current service levels in roadside solid waste and recycling collection.
- 5. Investigate bonding for capital improvement vs. capital reserve budgeting to achieve maximum utilization of existing capital resources.
- 6. Develop budget with the understanding that all budget areas may be considered.
- 7. Consider department budgeting needs and anticipated needs going forward.

This year's budget development/review process is a departure from that used in the recent past. This is not a flat budget that is revenue neutral to the tax rate. The Selectmen requested that Town staff submit budgets that would address any areas of unmet need that has been deferred to maintain LD1 compliance and discuss these initiatives with the Budget-Finance Committee, rather than eliminate them upfront. Also, a decision was made by the Budget-Finance Committee to divide the budget presentations into two meetings. On February 20th the Insurance program, General Assistance, Technology, Public Safety, Infrastructure, Solid Waste, Cemeteries, Parks & Recreation, County Tax, and Revenues will be considered. On March 4th, the agenda will include the remaining departments and any follow up questions from the previous meeting.

The Town had an LD1 compliant budget for the 2013-14 fiscal year and was also able to realize some major capital improvements through the tower easement sale. However, the use of \$705,000 as a revenue from the one-time tower sale proceeds creates a large reduction in available revenue this year for continued capital spending. This creates a problem given the new Capital Improvement Program (CIP) requests and the opportunity the Town now has with the military Innovative Readiness Training Program (IRT).

Under the Military IRT Program, the Town has the opportunity to leverage local dollars by a 1:2 (Town:Federal) ratio while accomplishing necessary and desired capital improvements. The Town would supply the materials and the engineering work and the IRT program would provide equipment, fuel and manpower to complete selected projects (application attached). The timing of these projects also involves cooperative efforts with the Boy Scouts of America (BSA), as they will be absorbing the costs of housing and feeding the military personnel while they complete the work for Camp Hinds and the Town of Raymond together. This budget proposal utilizes the Town's AAA bond rating and associated low, long term bonding rate to bundle associated costs from the IRT projects and planned CIP items into a \$2.1 million, ten year bond.

A proposal is being made to utilize some excess Undesignated Fund Balance for these major capital improvements. The Undesignated Fund Balance (UFB) Policy, adopted by the Raymond Board of Selectmen on October 2, 2007, states that the Town's goal is to maintain a level of UFB equal to 15% of the prior year's commitment, exclusive of any amount to be paid from the UFB. 15% of the FY2013-14 commitment of \$11,082,311.04 is \$1,662,346.66, meaning that the current UFB exceeds that balance by \$524,215.20. Utilization of \$245,438 from Undesignated Fund Balance Surplus would pay the proposed first year debt service for the projects outlined in the bond package. The final recommendation would be to approve an increase in LD1, which would add an estimated \$0.26 to the mill rate. This proposed budget provides a pathway to accomplish the CIP requests and several IRT projects with a relatively small property tax impact.

Unfortunately, the allowed LD1 levy limit for FY2014-2015 was unable to be calculated by Contract Assessor, Curt Lebel, at this time. This is due to statutory changes made to the method in which the LD1 levy limited is calculated (See enclosed memo).

I am looking forward to meeting with you on February 20th and March 4th.

*** DRAFT ***

Town of Raymond FY 2014/2015 Budget Development Schedule

- December 17, 2013, Tuesday, 6:00 p.m., Broadcast Studio Board of Selectmen to review/revise draft 2014/2015 FY Budget Development Schedule and set budget directives/goals for the budget process
- **December 27, 2013, Friday** Town Manager submits standardized instructions and budget directives to Department Heads for preparation of budget requests, which are to be returned to the Town Manager by January 24, 2014
- January 13, 2014, Monday, 6:30 p.m, Broadcast Studio Budget/Finance Committee to review/revise draft 2014/2015 FY Budget Development Schedule
- January 24, 2014, Friday All municipal budgets, including CIP, are submitted to the Town Manager
- February 14, 2014, Friday Town Manager submits budget to the Board of Selectmen and Budget/Finance Committee
- February 20, 2014, Thursday, 6:30 p.m., Broadcast Studio Selectmen and Budget/Finance Committee review proposed municipal budget expenditures and projected non-property tax revenues (Dept. Head Budget Review #1)
- March 10, 2014, Monday, 6:30 p.m., Broadcast Studio Selectmen and Budget/Finance Committee review proposed municipal budget expenditures (Dept. Head Budget Review #2)
- April 8, 2014, Tuesday, 7:00 p.m., Broadcast Studio Selectmen consider (vote) recommended municipal budget
- April 14, 2014, Monday, 6:30 p.m., Broadcast Studio Budget/Finance Committee to consider (vote) on recommended municipal budget
- April 23, 2014, Wednesday Budget to be submitted to the printers
- June 3, 2014, Tuesday Annual Town Meeting

Hi Nancy,

Normally, this time of year, I am able to give a reasonable estimation of the tax cap the town will be subject to for its annual budget. The Legislature however has made statutory changes to the calculation which is causing a delay in producing a reliable figure. The revenue sharing part of the calculation in the past used actual money received in the two previous calender years. Under the new change enacted, beginning this year, fiscal year estimates/actuals from the current year will be compared with estimates for the year for which the budget is being formulated. This means I will need to wait for the projections for fy15 to be released by the State Treasurer before finishing the calculation. (likely some time in March)

One negative aspect of this new method which will affect Raymond, besides the use of estimates, is that the losses incurred in Rev sharing between calender year '12 and '13 will not be eligible to be added to the overall cap. If Revenue sharing is projected to be flat from fy 14 to 15 then I would expect a cap increase in the range of 35k-40k for the upcoming budget cycle. This is perhaps 75-80k less than it would have been under the old method. These changes may make it necessary for the Town to consider an increase override of the the municipal cap or some other sources of revenue other than property tax in order to fund the municipal budget. As you know, a bill to restore an additional 40 million dollar cut to revenue sharing is currently working its way through the legislature. If this is successful, revenue sharing cuts will not be as substantial and may stabilize somewhat between fy 14 and fy15.

Curt

Represents monies to cover any unforeseen events that may occur for repairs or maintenance

2014-2015 Insurance Account #0400

Total Appropriation Request -- \$468,611

1450 Life Insurance

Sub-accounts	
0599 Social Security	\$87,154
Employer's share of Social Security	
0699 Unemployment Insurance	\$1,000
0749 Liability/Vehicle Insurance	\$42,100
General liability insurance and property/vehicle insurance – an estimate of 5% increase	
0799 Workers Compensation Insurance	\$24,607
The components that comprise the rate are the number of employees, salaries, modification classification rates — est 5% increase	n rate and the job
0899 Public Officials Liability Insurance	\$1,300
0900 Inland Marine	\$2,950
Includes rescue watercraft and other miscellaneous equipment- est 5% increase	
1399 Health and Dental Insurance Premiums	\$248,600
Medical and Dental Insurance for 17 employees; pays 85% of family coverage This includes negotiated TM long-term disability insurance (from salary).	

Provided for full time employees, based on annual salary and age of employee. Also includes additional Life Insurance for TM as negotiated per contract (from salary).

\$5,500

ICMA Retirement match benefit for 17 employees.

All full time employees are eligible for the ICMA Retirement plan.

The maximum amount allowed after 5 years of employment is a match of 5% of gross wages.

Employees eligible to receive family coverage/two person/employee with child(ren)/health care but elect NOT to take advantage are eligible to receive up to \$3454 (established in 2002 as half the cost of family coverage at that time) annually or additional life insurance benefits. The estimated cost to the Town in FY2013/2014 for employees who elect to take the ICMA Retirement option instead of the health plan that they are eligible for will be \$7,239, for 3 employees.

1600 Rescue Billing Services

\$12,000

This is the cost for the Town of Raymond's billing services with Medical Reimbursement Services of Windham and is based on 8% of collected amounts. They collect from insurance companies those fees charged for rescue calls/ambulance transportation.

2014-2015

General Assistance

Account # 0500

Total Appropriation Request -- \$6,000

Sub-accounts

0110 General Assistance

\$6,000

This account is used for aid to families with extreme levels of poverty. Expenditures for housing, food, fuel, and medical payments are issued from this account. No increase for FY 2014-15. Expenditures are currently reimbursed by the State of Maine at a 50% level.

The Town has the Community Assistance Fund for those needing assistance but not qualifying for General Assistance. At the time of this draft, that account has \$22,435 available.

2014-2015 Technology Department Account #0550

Total Appropriation Request -- \$180,365

Sub-accounts

0100 Cable Broadcasting Station Salary

\$35,000

Full-time salaried position (Station Manager) for all phases of Broadcast Station operation.

0150 Technology Services Administrator

\$60,000

Contract position for administration of network services - 7th year of same request.

0200 Cable Broadcasting expenses

\$12,000

Supplies, software and hardware maintenance, including \$3000 subscription fee for live streaming; to include chorus mics & graphic equalizer FY 2014-15.

0600 Technology/computer/upgrades

\$59,165

This includes annual upgrades, maintenance, replacement costs, virus protection renewals, sonic wall upgrades and renewals, technical training, fuel/maintenance for Portable. Time Warner Road Runner cable modem \$13,200. Increased electric/fuel costs

0900 GIS Hardware/Software/Maintenance

\$14,200

Software, hardware, and maintenance necessary for GIS

2014-2015 **Technology Department** Account #0550

Total Appropriation Request – \$179,765 (but see Capital list)

REVISED 2/14/2014

Sub-accounts

0100 Cable Broadcasting salaries

\$35,000

Rename position from Videographer to Station Manager and make this a full-time, salaried position.

0150 Technology Services Administrator

\$60,000

Contract position – unchanged since inception

0200 Cable Broadcasting expenses

\$12,000

An increase of \$2000 over last year for supplies: we'll buy the chorus mics and the graphic equalizer. See "Capital" info below for what we should be doing. This also now includes a \$3000 per year subscription fee for live-streaming, which effectively reduces the budget for supplies.

0600 Technology/computer/upgrades

\$59,165

Annual upgrades, maintenance, replacement costs, virus protection renewals, SonicWALL upgrades and renewals, technical training, and fuel/maintenance for Broadcast Studio. Also included: Time Warner Roadrunner cable modem: \$13,200. Increase from last year's \$58,165 of \$1,000 is for increased electricity/fuel costs. FYTD shows us closing the year at -\$746, and that's an underestimate, given the heating costs. (Item detail breakdown from last year is attached, FYI.)

0900 GIS Hardware/Software/Maintenance

\$13,600

Unchanged from last year

- Software upgrades & maintenance: \$5000

\$3000 autual cost 3600 - Town Report/Warrant creation:

- Hardware upgrades & maintenance \$5600

Note: the cost of the GIS services provided by contractor Sebago Technics does not come out of the Technology budget. We support the tools.

Subject: Fw: Technology budget - revised

Resending this note to correct math error in attached budget and to clarify "Station Manager" narrative below. I also found the original (editable) version of the Tech budget breakdown, so I've removed the "info only" PDF list from 2013 and replaced it with a good one for 2014.

Laurie

Cc: Kevin Woodbrey; Dominic Dymond Subject: Technology budget - revised

See attached, which includes

- a DOC and a PDF of the proposed 2014-15 budget (same info);
- a PDF of last year's line by line breakdown, FYI:
- a PDF of a line by line breakdown for 2014/2015;
- a PDF of technology services

BROADCASTING

- -- If there is a "capital improvements" opportunity, then that addresses the bulk of our broadcasting needs including equipment and furniture.
- -- Staff: We're proposing that this be a full-time salaried position, with a range of \$32-\$35,000, while we flesh out what exactly it is we're expecting from that person. There's no model for this, because in other towns and cities a "station manager" has very different duties (as well as his own staff) from a "videographer" or from the folks who work at archiving, scheduling and post-production. We're looking for one person to do *all* of that, at least for the foreseeable future.
- -- TW franchise fee: currently we're getting 2.5%. We're part of a regional consortium looking into better services from TW. How Comcast's recent acquisition of TW is going to affect all that is unknown, but it won't be good. http://money.cnn.com/2014/02/13/technology/comcast-time-warner-cable-deal/index.html

Regardless of that or of the consortium, we could be getting 5% from TW, and that may be a way to help defray some of the cable station costs. The big question would be if we can just ask for another 2.5% without establishing a new contract with TW, as that sounds as if it would mean bailing on the consortium and its work and opportunities. If we stick with the consortium, the model franchise agreement and our "service needs" list has already been completed, so within a few months we may have what we all want, anyway, or close to it.

TECHNOLOGY

-- See attached, which includes some questions about how "tech" and other services and expenses are accounted for. We're not challenging those decisions, but more trying to understand them or even proposing alternatives.

Public Safety is in need of some upgrades and didn't budget for them, so we were going to try to absorb those costs (\$6000), at least for the next year. We're not territorial and will do anything we can to get staff and citizens the technology resources they need, but if that \$6000 could be considered a capital expense (as it should), that would be excellent.

We continue--and I speak for the whole committee and Kevin--to be at your service and to do whatever the decision makers, including the voters, deem important to the community. See the attached chart for a list of what we currently provide. Kevin remains available to meet with individuals to discuss equipment and services and even to give a guided tour.

Laurie

<u>Capital Items:</u>
Including equipment to transition to digital SD (not HD, that will come later)

ITEM	REASONING	COST
Generator – 40kW, single phase	Part of Disaster Recovery Plan – estimated cost based on used John Deere \$11,500; new Olympian \$14,500; new Kohler \$17,000.	\$15,000
Security system \$700 installation + \$55/mo	Still gathering information. Concern is acquiring low-temp warning. We'll check w/ current security provider for this enhancement, first.	*
Public Safety	Unbudgeted computer upgrades plus wireless doorlocks. This cost will likely be repeated for several years.	\$6,000
	BROADCAST STUDIO	
UltraNEXUS SDI	To replace aging NEXUS = digital broadcast	\$14,000
SDI DVR - "Datavideo HDR-60"	After getting the UltraNEXUS SDI, we will be moving to a complete SDI workflow.	\$1,900
& SSD	(SSD cost depends on capacity)	\$200-\$600
Two new camcorders "EVI-HD1" \$3,100	This replaces the remaining two old PTZ cameras to make all cameras the same aspect ratio and capture quality.	\$6,200
	To make the camcorders work with our system as well enable us to send video to the Nexus SDI in digital, we will need either:	
Sony "BKAW-580" \$3,300 &- " BKAW-590" \$4,500	These are expansion eards for new camera's to work with the old Sony Anyeast broadcast control system.	\$7,800
	OR	
Sony "AWS-750"	This would replace the old Sony Anycast broadcast controller and eliminate the need for the expansion cards and perhaps the DVR as well.	\$20,000
LED studio lighting — ceiling lighting and table ighting	(Still gathering costs, quotes and information) This has been a need since we first started broadcasting. We're using duct tape.	\$5,000
Field camcorder	To replace Canon XL2. Options range from Canon XA25 (\$2,500) to Sony PMW-200 (\$6,000), but there are a dozen good quality products in this range.	\$2,500-\$6,000
Noise-canceling neadphones: "Parrot Zik" or "Bose QC15" = \$400 ach	Two will allow me to monitor live TV feed without the 4 second overlap\echo. This is necessary because it becomes difficult to monitor the feed with broadcasting and live sound overlapping.	\$800
Conference table	One that isn't hollow and doesn't echo	\$3000?
Chairs (9)	To accompany the 4 the school bought	\$2250

- * We have a question about the allocation of the following expenses to "Technology":
 - Security system for portable classroom;
 - Utilities for portable classroom (heat, lights);
 - Generator for portable classroom

We propose that those expenses come out of a "Facilities" account in whatever way "Town Office" or "Public Safety Building" do. The portable classroom does not, in and of itself, have anything to do with "technology"; in fact we have more computer- or network-related equipment in the Town Office and the Public Safety Building than we do at the portable.

Similarly, "technology" expenses aren't accounted for consistently across departments, where—for example—we think that Public Safety's hardware and software should be in the Tech budget, and so should the monthly subscription cost for their Internet connection.

2014-2015 Fire and EMS Department Account #0600

Total Appropriation Request -- \$649,456

Sub-accounts

0025 Clothing Allowance

\$5,000

Uniforms, badges, patches, identification tags; shirts for members

0050 Operations

\$22,000

Oxygen, Medical supplies, laundry, office supplies, light bulbs, miscellaneous hardware, new EMS requirements of Capnography and EMS drug boxes, increase in EMS supply cost & Med. Control doctor.

0075 Travel

\$2,400

Expense reimbursements for travel associated with training, meetings, and other functions; attendance at National Chiefs' Conference

0100 Fire/Rescue Payroll

\$421,790

Chief, Full-time paramedic/firefighters, call and standby pay, administrative support, training pay

0150 Dispatch Services

\$31,700

Ongoing expenses related to contract for regional dispatch services with CCRCC

0200 Building Maintenance

\$17,000

General maintenance for buildings: includes electrical & building repairs, paint, floor waxing etc.

0300 New Equipment

\$8,000

New equipment for Fire and Rescue – Gas meters, hose roller, hydrant boost valve

0325 Fuel - Gas, oil

\$18,000

Fire and Rescue vehicles – expect to maintain amounts.

0340 Maintenance of Vehicles

\$30,000

All associated Fire and Rescue vehicle maintenance - adjust for expected issues in aging fleet

0350 Firefighter Equipment and Repairs

\$5,700

Repairs of all equipment that breaks or is lost during fire operations - hose, hand tools, electrical cords, generators, portable pumps, portable lights, chainsaws, fittings, EMS equipment, fire extinguisher use and refill

0355 Radio Repairs and Replacement

\$10,000

Radio repairs and batteries. 6 portables @ \$850 = \$5100; 4 pagers @ \$575 = \$2300

0400 Heating

\$12,000

Based on 6,000 gallons of LPG

Heating for PSB & District II Fire Station

CMP, Verizon, Fairpoint, Alarm Lines, TWC High Speed professional internet service

0600 Maintenance Contracts and Licenses

\$6,000

Copier services, HVAC system heat service contract, Defibrillator(s) maintenance contract, annual EMS assessment, EMS license fees, Emergency Reporting, MEMSARS; requirement to put elevator back in service, contracts on cardiac monitor, stretcher maintenance. Dropping Page Gate.

0700 Health & Safety

\$7,300

Hepatitis, TB, protective equipment, mask fitting HEPA 95 and SCBA, Job Placement assessments, physicals, Blood Borne Pathogen issues with laundry. 5-yr Fit for Duty for 35 people; resp clearance.

0800 Dues & Publications

\$900

Trade journals, professional publications, legal newsletter, and organizational dues

1100 Training

\$10,500

Training class registration fees, training equipment, officer development and leadership training, curriculum updates, mandatory trainings such as EMS protocol changes and new procedure updates, EVOC, AVOC, Pumps classes, reimbursement to members for EMT and FFI, II certification classes after they meet attendance requirements, Fire Attack School

1200 Fire Prevention

\$500

Support materials for educational programs; updated codes purchases; smoke detectors

1300 Turnout Gear/Equipment

\$9,300

Need to maintain safety standards for turnout gear/inspections-need 3 new sets @ \$1700. Vapor barrier inspections due this year.

1400 Air-Packs/SCBA

\$4,400

Annual Flow Tests and safety checks by certified technicians for each pack; batteries for pack safety devices and voice emitters

2014-2015 Animal Control Account #0750

Total Appropriation Request -- \$19,870 - Total from taxes \$15,870

(\$4,000 of the needed request will be taken out of the ACO account this year. State law requires that a portion of every dog license and dog fine is to go into a reserve account to be used only for Animal Control)

Sub-accounts

0025 Animal Control Account used to reduce appropriation		(\$4,000)

From: Nathan White <nathan.white@raymondmaine.org>

Date: 1/23/2014 12:15 PM

To: Nancy Yates <nancy.yates@raymondmaine.org>, Don Willard <don.willard@raymondmaine.org>, Danielle Loring <Danielle.Loring@raymondmaine.org>

Hi Nancy

Thanks for looking over the PWD budget with me this morning, hears what we got

1-0800-1310 PK plow contract - 13/14 was the first year of a three year contract. Year two goes up 2.5% from \$176,590.00 to \$181,005.00 up by \$1,415.00

2- 0800-0300 equipment - this account is for shop equipment and crew safety equipment, do to the increased cost of these items i would like to add \$1,000.00 to go from \$3000.00 to 4,000.00

3-0800-0100 Salaries - I would like to add 2 part-time people to Public Works to help with the summer maintenance on 302 and street sign maintenance and brush cutting for 13 weeks at this point i would like to use \$15 per hour x 2 for 520

hours x 30 = \$15600.00--

The rest of the 0800 operating budget look OK

1500-0200 CIP for equipment looks ok at \$35,000.00 - I would like to put in for a new sand/salt storage building I am planing to spend \$500,000 to \$600,000. This might just make the planing stages for this year with construction 1 or 2 years out (don't panic)

1500-0700 paving is currently funded at \$240,000 per year i had originally thought we could reduce that to \$200,000 but I'm not thinking that would be a good plan - your thought ?

959 TIF I would like to add \$250.00 to the mulch and \$1000.00 to CMP and Cummings property was at \$6700,00 for last year that was out of contract last year I have not received a call back from him so add \$250) to that line \$6950.00 I will try to get it for \$100.00 over last year but go \$250 to be safe The rest looks OK, The \$4103.45 was a light pole that was the victim of hit and run, out will 6100 will do up a cover letter explaining all for next week

Thanks Nate

To:

Don Willard, Town Manager

Date: February 13, 2014

From: Louise Lester, Town Clerk

Subject: Raymond Hill Cemetery survey proposals

I have asked four survey companies to submit a proposal for doing a boundary survey for the Raymond Hill Cemetery. The old section and the annex section behind the church are nearly full. We will be needing more space for sale in the next few years. At this time we don't have a survey showing exactly what Raymond owns. I would like to have this in hand so that we can begin preparing the land for future use.

I am attaching a spreadsheet of the 3 responses I have received from Survey Inc., Jones Associates, and Sebago Technics. My recommendation would be to accept Survey Inc because it is the lowest price, the price is fixed because he is a Raymond resident and would like to do this job at our convenience.

0100 Library

\$40,000

Increase of \$2500

0200 Library Maintenance

\$500

Library maintenance expenses per Town/Library Memorandum of Understanding

January 24, 2014

Mr. Don Willard Raymond Town Manager 401 Webbs Mills Road Raymond, ME 04071

Dear Mr. Willard,

Enclosed please find a copy of the proposed 2014-2015 budget for the Raymond Village Library. After a thorough review of the current budget, and careful consideration of upcoming needs, the RVL Budget Committee is asking for \$40,000 in financial support from the town of Raymond. This amount is 46% of the proposed operating budget for the library. This budget proposes an increase in staff hours for the library assistant, from 20 to 25, and youth services director, from 8 to 10, to better meet the current operational and program needs. Staff raises are budgeted at 1.4%.

It is extremely challenging to rely so heavily on fundraising and the Annual Appeal to run the library. The Board of Directors, staff and dedicated volunteers work hard throughout the year to seek other sources of income through fundraising and grants. The 2013 Garden Tour was a new fundraiser for RVL and raised nearly \$5,000. The Annual Appeal has been moved to the summer months to try and reach a broader base of our year round and summer patrons. Many volunteers contribute to the plant sale, bake sales, basket sale and raffles. In spite of these efforts, we anticipate operating at a loss next year. For the second year, donations to our Annual Appeal are running below estimates. Revenues from the summer book sale, a major fundraiser for RVL, have also declined significantly over the past several years, a trend seen in other libraries.

The library has been very fortunate to receive grants to supplement programming and extend our children's collection. We were especially grateful to receive a \$10,000 grant from the Stephen and Tabitha King Foundation for automation equipment and training support. We continue to actively search for other grant opportunities that allow us to extend library services to our patrons and the Raymond community. We are also looking for additional fundraisers to meet the anticipated deficit in next year's budget.

The Raymond Village Library continues to be an important and vibrant resource that serves all levels of our community from infants to seniors. We are especially excited about the expanded programming offered during the past year under the direction of our library director, Sally Holt, MLS and her staff. Participation in Story Time and Baby Time continues to increase. The very successful Summer Reading Program for elementary and middle school students enrolled 89 children and offered science-themed programs throughout the summer. We have also offered 27 adult programs, ranging from monthly author presentations to financial workshops, with over 400 participants. We received strong feedback that programming and a strong collection are essentials for our patrons, and we are committed to maintaining high quality services and resources for them.

We certainly appreciate, and highly depend on, the town's support for our efforts. Thank you for your consideration of this request.

Morna Rocs

Sincerely.

Christine Frantz and Norma Richard Raymond Village Library Co-Presidents

2014-2015

Capital Improvements Account # 1500

Total Appropriation Request -- \$876,596

Sub-account

0250 Public Works - Equipment Reserve

\$35,000

Planned replacement of major Public Works equipment

0300 Public Works Construction Bond Payment

\$96,731

Final payment to support debt services on the 2004 Series D, ten (10) year \$950,000 bond approved at the May 2004 Annual Town Meeting for major road reconstruction. Principal-95,000; interest-1731.

0350 Public Works Paving/Road Reserve

\$240,000

Appropriation for road work/paving maintenance.

0400 Municipal Facilities Maintenance/Improvements

\$25,000

To allow for improvements/major repairs to municipal facilities

0500 PSB Bond Payment

\$115,424

Payment # 12 to support debt service on the 2002 Series F, fifteen (15) year \$1,595,351 bond approved at a Special Town Meeting June 5, 2001 for the purpose of building the Public Safety Building. Principal-106,356; interest- 9068: This debt will be retired FY 2017-2018.

0600 Fire Equipment Bond Payment

\$56,003

Final payment to support debt service on the 2004 Series D, ten (10) year \$550,000 bond approved at the May 2004 Annual Town Meeting to acquire two major pieces of fire apparatus: A new engine was purchased in FY 2004-2005 to replace Engine One, a 1981 model. Rescue Two, a 1995 chassis with a 1986 ambulance body, was replaced as scheduled in FY 2005/2006. Principal-55,000; interest- 1003:

0650 Proposed Equipment/Infrastructure Bond

\$245.438

1st year principal & interest on proposed \$2.1 Million Equipment/Infrastructure Bond to pay for Innovative Readiness Training Project (which includes completion of the Valley Road Tower Facility, Fire Ponds, Fire Station Lot Clearing, and Egypt Road Recreational Fields), the match for the Main Street Sidewalk Project, Engine 2 replacement, replacement Sand/Salt Building with a 6000 yard capacity, a Pole Barn to house Public Works and Public Safety Equipment, and a back-up generator for the Broadcast Studio/Technology Building.

0750 3013 Road Construction Bond

\$63,000

Interest only payment on 2013 Road Construction Bond. Principal repayments to begin FY 2015-2016, with final payment due FY 2024-25.

2014-2015 County Tax Acct # 2000

Total Appropriation Request -- \$655,114

Sub-accounts

0110 County Tax Payment

\$655,114

This year's proposed County tax amount is an increase of \$27,300 (4.35%) over last year's amount of \$627,814. At this time, this is a draft figure only.

FY2014 COUNTY OF CUMBERLAND-

Increase

Draft Presentation

The tax distribution schedule describes the amount of tax required from each municipality based on their equalized valuation to provide the revenue necessary for county operations. Previous year information is provided for comparison purposes. The tax calculation table at the bottom of the schedule shows the factors of expenditures revenues, and surplus used to calculate the amount of county property tax assessed on the real and personal property in each municipality.

The State of Maine Valuation for 2014 shows overall County Increase of | Valuation Growth
