Maine Historic Preservation Commission Review
Jordan Bay Marina, Sebago Lake - Raymond, ME

Dear Mr. Mohney:

On behalf of Port Harbor Marine, Inc., Sebago Technics respectfully requests an update to the site review previously requested on December 16, 2019 (MPHC #1841-19). The project site is located 1328 Roosevelt Trail (U.S. Route 302) in Raymond, Maine on Sebago Lake. Our client's intent is to expand the land side maintenance, sales, services and storage for the marina.

For your reference, I have enclosed a site plan, project location map, a map of the abutter area showing structures older than 1969, and vision cards for those lots/structures. At your earliest convenience, please review and forward your findings. If you have any questions on this project, please do not hesitate to contact me at jsolis@sebagotechnics.com or on my direct line at (207) 200-2119. I look forward to hearing from you.

Sincerely,

SEBAGO TECHNICS, INC.
