Failure to submit a complete application as indicated below will delay your application. Deadlines: Complete applications must be submitted by the deadline to be considered for the next meeting. Condominium Development: All condominium development is subject to both subdivision and site review unless it is a single-family development.

Project Review: All projects are required to go to pre-app conference at the Board level. The applicant may opt for a staff review by the Plan Review Committee prior to submittal to the Board. This is highly encouraged for complex development proposals and for applicants that do not hire a professional consultant to represent them or are unfamiliar with the Planning Board regulations and approval process.

Other Approvals: A complete copy of any other agency application reviews or approvals must be noted at the time the application is submitted. Town approvals are not granted until all other required agency(s) associated with aspects of the project, but not limited to State, Federal, or other Authority is approved and copies delivered with the Final Plan submittal or application. The Planning Board may issue a condition of approval if it has written evidence that the outside agency has completed the review of an application for the project and is processing the project for approval.

Fees: Application fees are non-refundable except in cases where applications are withdrawn within two business days of the deadline. Escrow fees are utilized for plan review including Planner's time in reviewing submissions, drafting materials for the Planning Board, and attending meetings related to the application. Any remaining amount after the review of the plan will be returned to the party which submitted the escrow. If the property is transferred to another party it is important to address the escrow account to assure it is returned to the appropriate party.
