**Subject:** Materials for Planning Board Review – Medical Cannabis Ordinance

---

Hello Sandy,

Attached is a letter I've written for the Planning Board regarding the proposed ordinance on medical cannabis caregivers in Raymond. I've also included copies of Maine LD 1897 and LD 1840—both of which have passed the House and Senate and are set to be enacted. I believe these legislative updates are particularly relevant for the Board's consideration.

Please let me know if there's anything further I can provide.

Sincerely,  
Dessiree Berry
