BOARD OF SELECTMEN
AGENDA SUMMARY
Tuesday, November 20, 2007
7:00 p.m.
JSMS Broadcast Studio

- 1) Call to order.
- 2) Minutes of previous meeting dated October 16, 2007
- 3) New business.
 - a) **Interview and appointment for Budget/Finance Committee vacancy – Candidates Charles Leavitt and Marshall Bullock**

Two candidates have expressed interest in filling the Budget/Finance Committee vacancy of Brandon Milton who resigned to accept employment out of state. Biographical information has been solicited from both candidates, Charles Leavitt and Marshall Bullock. Materials received from the candidates are attached to the e-packet. Both candidates have been invited to the meeting for interviews prior to deliberation and a decision being made by the Selectmen to fill the unexpired term of Mr. Milton.

b) Department Head Quarterly Reports – Contract Planner Hugh Coxe and Town Clerk Louise Lester

The Board of Selectmen recently reinstated the practice of receiving quarterly department head reports in order to better familiarize themselves with ongoing departmental activities including short and long range goals as well as financial planning. Over the next several meetings, two department head reports will be scheduled per meeting until all department heads have had an opportunity to address the Selectmen. These meetings will provide a good opportunity for the Selectmen and the public to become updated on the activities of Raymond's Municipal government by department.

c) Proposed road naming policy – Assistant Code Officer Will Cook

Assistant Code Officer Will Cook will present a proposed road naming policy for possible adoption by the Board of Selectmen. This document was prepared in accordance with the Selectmen's earlier direction to adopt written guidelines for the road naming process. Staff has reviewed this policy and recommend approval.

d) Public hearing – Consideration of adoption of 2007 General Assistance Ordinance and Appendices

This is an annual requirement from the Maine Department of Human Services to bring the Raymond General Assistance Ordinance into compliance with Maine Law, Title 22 M.R.S.A. §4305 (4), related to levels of financial assistance and eligibility. The town annually adopts the Maine Municipal Association Model Ordinance

The Selectmen may take items out of order at their discretion.

General Assistance Appendices A – C which cover the period of October 1, 2007 through October 1, 2008. Although Raymond has very few general assistance applications, it is a statutory requirement that these appendices be approved, which confirm the levels of qualified assistance available.

I am recommending, as in prior years, that the Selectmen adopt the model appendices developed by the Maine Municipal Association with financial survey data to establish the cost of basic necessities within Cumberland County.

e) School consolidation information update – Selectman Joe Bruno

Selectman Joe Bruno will update the Board of Selectmen and the public on the activities of the regional school consolidation committee.

f) Greater Portland Council of Government (GPCOG) update – Selectman Mike Reynolds

Selectman Mike Reynolds will update the Board of Selectmen on the public on the regional initiatives and GPCOG activities affecting Raymond.

4) Old (unfinished) business.

a) none

5) Town Manager Report and Communications.

a) none

6) Fiscal Warrants – Payroll and Appropriation Warrants – November 20, 2007.

7) Adjournment.

The Selectmen may take items out of order at their discretion.

Thank you for your interest in me.

I will be happy to join you at the next Selectmen's meeting.

Attached is an expanded information sheet for your and their use.

I look forward to meeting all of you.

M S Bullock

I feel that I can add value to the Raymond Board of Finance by bringing to the table a deep background in finance, along with a current understanding of the education system in Maine, underscored by an instinctive affection for the Town of Raymond.

I was born and raised in Falmouth, Maine - I am a Maine native. I appreciate Maine values.

My family enjoyed a summer cottage on Raymond Pond (Vista Drive) since 1928, and I spent all my summers there as a youth.

Both my grandfathers were charter members of NoRayCo, and they, with their families, enjoyed many years there. My roots are deep in Raymond.

In 1995, I chose to move back to Raymond for a variety of reasons.

I am a veteran of the U. S. Army - Viet Nam era.

I have earned a degree from Sacred Heart University (Bridgeport, CT) in Business; I have an uncompleted major in International Economics at the University of Connecticut; and I have earned a B.A. (cum laude) in Social Sciences at The University of Southern Maine.

I am currently a Job Coach at Lisbon High School; this is my seventh year in this position. I am also licensed to teach Economics, History, and Business at the 7-12 level.

Prior to my current position, I worked for a cabinet company in Falmouth, Maine for five years.

Prior to my move to Maine in 1995, I was 1/3 owner and CEO for a cabinet company in New Haven, CT, that specialized in medically appropriate cabinetry for an International market.

My major career endeavors however are in the finance industry. From 1969 to 1991 I held multiple positions with two major financial institutions in Connecticut, - - the last being Senior Vice President and Chief Lending Officer of a successful \$600 Million Savings bank in Hartford, Connecticut. Along the way, I experienced all phases of banking and in the commercial lending arena specifically, processing financial requests in the multi-million dollar range. I was involved in, and spearheaded, several municipal bonding issues, but most of my efforts were spent in loan and financial management, both in-house, and in borrower relationships. With all the analytical work required in this type of transaction, this gave me a deep and thorough understanding of the budgeting and financial forecasting processes.

Thank you for your considerations.

- Explore the use of consensus building approaches to land use matters.
- Review and update 2004 Comprehensive Plan

SELECTMEN'S MEETING REPORT FOR
TOWN CLERK'S OFFICE
November 20, 2007

Town Clerk: Louise H. Lester

Deputy Clerks: Sue Carr, Donna Lovely, Rita Theriault, Nancy Yates, and for special duties Karen Strout and Louise Murray.

1. Facility

The Town Clerk's office is crowded but because we all job share we accomplish our work. Every Deputy Clerk understands the rudimentary work of each job and can produce work that accomplishes the basic demands of that job.

Final reports to various state agencies are done by one person, but it would be beneficial to have at least one backup Deputy Clerk who understands a report process.

The uneven heating continues to be a challenge but with the new windows that may be alleviated.

We have a donated refrigerator which is large enough to store all employee lunches. We also have some new donated chairs for the office and front window area.

2. Supplies

Nancy Yates is responsible for arranging for heating oil, repairs, and other major supplies. Louise Lester is primarily responsible for ordering all office and comfort supplies for the town office.

3. Jobs:

a. Motor Vehicle Registration.

All Deputy Clerks can register cars. Rita Theriault is responsible for the weekly BMV reports.

b. Inland Fisheries & Wildlife license and registration sales.

All Deputy Clerks can issue licenses and registrations. Louise Lester is responsible for the monthly IF&W reports.

c. Tax receipting and information

All Deputy Clerks can collect tax money and answer questions about current taxes. Donna Lovely is responsible for biyearly tax billing with Northern Data, collecting taxes, registering liens with the County Registry of Deeds, dealing with tax acquired properties, and balancing the tax accounts.

d. General Assistance administering.

Donna Lovely, Deputy GA administrator, is responsible for processing any General Assistance applications and preparing quarterly GA Reports to the state.

e. Animal Welfare Dog Licensing.

All Deputy Clerks license dogs. Louise Lester prepares the monthly reports to Animal Welfare. She processes reminder cards about licensing, prepares the Annual Dog Licensing Warrant which she presents to the Selectmen prior to April 1st and aids the Animal Control Officer with his paperwork. Mrs. Lester also organizes an annual Rabies Clinic with a local veterinarian in January.

f. Vital Statistics.

All Deputy Clerks are trained to prepare certified copies of vital statistics. Louise Lester registers and reports to the state vital statistics office all vital statistics in Raymond. Mrs. Lester also keeps control of vital statistics from the early 1800's to the present.

g. Voter Registration & elections.

Raymond's Voter Registrar is Louise Murray who is responsible for keeping the voter registration list updated. She has accomplished the work to join Raymond with the rest of Maine in the new state Centralized Voter Registration system. Louise Lester and Rita Theriault are Deputy Voter Registrars and are authorized to register new voters in Raymond.

h. Payroll.

Rita Theriault is responsible for Raymond's payroll including Fire/Rescue. The Town Office also is responsible for signing all school checks.

i. Vault Authority.

Louise Lester is responsible for the maintenance of the security vaults in the basement and the small closet and safe in the town office.

j. Cemetery information.

Nancy Yates and Louise Lester help people with their choice of purchasing a cemetery lot. Mrs. Lester also is the liaison for the town office with the Cemetery Committee.

k. Bulky Waste Coupons.

All Deputy Clerks can sell the bulky waste coupons. Louise Lester is the liaison for Raymond with the Lake Region Bulky Waste Facility. She has arranged the bulky waste coupon program and works directly with the LRBWF personnel in collecting any charges not paid at the gate.

l. Phone Receptionist.

Sue Carr is the front line for telephone receptionist though all clerks will answer the phone and transfer calls when she is busy. Some callers will dial direct to the office they need.

m. Information dissemination.

All Deputy Clerks have a high level of information at their grasp and will do whatever they can to help the customer. Louise Lester provides monthly articles in the Roadrunner and forward any information needed for the website.

Emergency analysis should be an exception, not “the rule.” If it has become the rule in your municipality, then the adoption of artificially low housing maximums is of no service to you (or your clients) and you might be better off with no housing maximums. Municipalities choosing to forego housing maximums must still adhere to the overall maximum and work an applicant’s budget accordingly. Such municipalities might choose to utilize the actual FMR provided by the federal government as a guide (*enclosed for your convenience*).

Appendix F

Appendix F, which lists maximums for personal care and household supplies, is not one of the appendices for which new values must be calculated each year. However, as these numbers have not been increased in approximately 10 years, MMA has worked with local officials to determine the current cost of such goods as compared with levels of inflation over the past ten years. This analysis resulted in a \$10 per month increase for all household sizes. A municipality should adopt the increased maximums for Appendix F as shown in the enclosed Summary Sheet if it feels this increase is reasonable given the cost of such goods in their community.

The Adoption Process

The **municipal officers (i.e., selectpersons/council)** adopt the local **General Assistance Ordinance and yearly Appendices**, even in town meeting communities. The law requires that the municipal officers adopt the ordinance and/or Appendices ***after notice and hearing***. Seven days posted notice is recommended, unless local law (or practice) provides otherwise.

At the hearing, the municipal officers should:

- 1) Allow all interested members of the public an opportunity to comment on the proposed ordinance;
- 2) End public discussion, close the hearing; and
- 3) Move and vote to adopt the ordinance either in its posted form or as amended in light of public discussion.

Filing of GA Ordinance and/or Appendices

Please remember that General Assistance law requires municipalities to send DHHS a copy of its ordinance once adopted. (*For a copy of the GA model ordinance, please call MMA’s Publication Department, or visit our web site www.memun.org*). In addition, any changes or amendments, such as new Appendices, must also be submitted to DHHS. DHHS has made it easier by enclosing a self-addressed envelope for your use. DHHS will accept the enclosed “adoption sheet” as proof that a municipality has adopted the current GA maximums.

Finally, all general assistance forms and notices that the municipality intends to use must also be submitted to DHHS. If it is your intention to use MMA forms, and you have not already done so, simply state that intention to the Department when you submit your ordinance for DHHS filing. Remember, if you intend to use locally developed forms or notices, those forms should be submitted with your adopted ordinance. DHHS’s GA Unit address is:

Re: 2007-2008 General Assistance Ordinance Appendices A, B, C and F

Date: September 11, 2007

Enclosed please find the following items:

- MMA's new (October 1, 2007–October 1, 2008) “**General Assistance Ordinance Appendices**” (A, B and C).
- “**GA Maximums Summary Sheet**” which consolidates GA maximums into one document. Municipalities do have to insert individual locality maximums from Appendix A and C in the summary sheet where indicated in order to complete the information. The “summary” does not have to be adopted, as it is not an Appendix but a tool for municipal officials administering GA. Note that the summary this year also includes changes to the maximums for Personal Care and Household Expenses, as explained below.
- “**GA maximums adoption form**” which was developed so that municipalities could easily send DHHS proof of GA maximums adoption. Once the selectpersons adopt the new maximums, the enclosed form should be signed and submitted to DHHS in the self-addressed envelope provided with this packet (*see “Filing of GA Ordinance and/or Appendices” below for further information*).

Appendices A, B & C

The enclosed Appendices A, B and C have been revised for your municipality’s General Assistance Ordinance. These new Appendices, once adopted, should replace the existing Appendices dated October 1, 2006–October 1, 2007. Even if you have already adopted MMA's model General Assistance Ordinance, the municipal officers must approve/adopt the new Appendices A-C yearly. The various maximum levels of General Assistance set forth in Appendices A-C are established as a matter of state law based on certain federal values that are made effective on the first day of October each year.

Appendix A

Appendix A is a listing of the overall maximum levels of assistance pertaining to all municipalities in Maine. These new overall maximum levels of assistance have been calculated on the basis of the 2007-2008 HUD Fair Market Rent (FMR) values that will become effective on October 1, 2007. These maximum levels of assistance are established by Maine General Assistance law (22 MRSA (4305(3-B)) and cannot be altered by action of the municipal officers.

Because HUD has reorganized certain localities, municipalities should first check to see in which locality they have been placed.

The following abbreviations may assist in your review of the maximums:

Abbreviations:

Department of Housing and Urban Development (HUD)

Fair Market Rent (FMR)

HUD Metro FMR (HMFA)

Metropolitan Statistical Area (MSA)

Appendix B

Appendix B is a listing of the maximum levels of assistance for food. These maximum levels are the same as the USDA 2007-2008 Thrifty Food Plan, which are presumed to be reasonable by regulation of the Department of Health and Human Services (DHHS). If the municipal officers wish to amend these maximum levels of food assistance, a local survey must be developed and provided to DHHS to justify the proposed alterations.

Appendix C

Appendix C is a listing of the maximum levels of assistance for housing (both heated and unheated). These maximum levels were developed by MMA using 2007-2008 HUD Fair Market Rent values that include utility costs. Because the FMR numbers include utility and heating costs, the applicable average utility and heating allowances, as developed by the Maine State Housing Authority (MSHA), are subtracted from the FMR to obtain a pure "housing" cost.

What should your municipality do if the housing maximums contained in this packet are unreasonably low (or high) given the rental rates in your area? First, the preferred option is to conduct a local rental survey. A local rental survey can be developed fairly easily, and municipalities should explore this option by contacting DHHS for guidance on conducting such a survey.

Another option is to forego adopting housing maximums (the law does not actually require housing maximums—the other two maximums, i.e., Appendix A and B, are required). If you are a municipality that has to perform "emergency analysis" each and every time an applicant requests housing assistance and you are not planning to perform a market survey (although you probably should), then perhaps working without housing maximums is an option.

**GENERAL ASSISTANCE ORDINANCE
APPENDICES A-C AND F
2007-2008**

The Municipality of _____ adopts the MMA Model Ordinance GA Appendices (A-C) for the period of Oct. 1, 2007—Oct. 1, 2008, as well as Appendix F (Maximum for Personal Care & Household Supples), as revised September 2007. These appendices are filed with the Department of Health and Human Services (DHHS) in compliance with Title 22 M.R.S.A. §4305(4).
