Board of Selectmen Agenda: September 10, 2013

Deadline for October 8, 2013 Agenda: September 27 2013
Please submit the DRAFT Zoning Board of Appeals bylaws to the Raymond Board of Selectmen for their review/revision/approval. The Board of Appeals has spent the last year working on the basic structure of this document keeping it brief while referring much of the functional directives to existing state statute. While the Board of Appeals has operated for years without bylaws it was decided that at this point in time it would be of benefit to have a set of procedural rules specific to the appeals process.

Thanks,

Peter Leavitt
ARTICLE I  Purpose and General Provisions

Section 1. The purpose of these bylaws is to provide written rules of procedure for the Town of Raymond Zoning Board of Appeals (ZBA).

Section 2. The RBA derives its authority from 30-M.R.S.A., Section 4963 (2), Article 6 of the Raymond Land Use Ordinance and Section 16 Administration (G) Appeals of the Raymond Shoreland Zoning Provisions.

ARTICLE II  Membership

Section 1. Appointment to and composition of the ZBA is governed by Article 6, Section A of the Town of Raymond Land Use Ordinance.

Section 2. In order to maintain the status of a member in good standing all members are required to attend both regularly scheduled and special meetings. Absence from more than two consecutive meetings without notification to the ZBA chairperson will be cause for disciplinary action as outlined in Section 4 of this Article.

Section 3. It is strongly encouraged that all members attend as many meetings, workshops and trainings as possible in order to gain experience and insights into the operational and procedural workings of the ZBA. This is especially important for new members.

Section 4. The ZBA chairperson shall recommend to the Town of Raymond Board of Selectmen the dismissal of any member of the ZBA unable to maintain the status of a member in good standing. A ZBA member may be dismissed for cause by the municipal officers before the expiration of that members term.

ARTICLE III  Election and Responsibilities of the RBA Chairperson

Section 1. The ZBA shall annually elect from their membership a chairperson to preside at all meetings. This election will take place at the first regularly scheduled meeting of the year.

Section 2. The responsibilities of the RBA chairperson include:

• Spokesperson for the ZBA
• Development of meeting agenda
• Conduct of efficient, orderly, impartial and respectful meetings
• Assignment of a pro tern chairperson at any time
• Utilization of the alternate member to establish a quorum
ARTICLE IV Conduct of Meetings, Workshops and Executive Sessions

Section 1. All meetings of the ZBA will be announced through public notice per Maine statute.

Section 2. All meetings will be conducted according to Roberts' Rules of Order Newly Revised in all cases to which they are applicable, and which they are not in conflict with these bylaws. The chairperson may waive any rule of order upon showing good cause.

Section 3. A quorum shall consist of three (3) ZBA members. All actions shall be determined by vote. A majority of the quorum present is needed to pass any motion. When a vote on a motion ends in a tie vote, the motion fails. The determination of a quorum for any vote shall not include any member who cannot participate in that vote due to a conflict of interest.

Section 4. All comments/questions from applicants, applicant representatives, or the public shall be made through the chairperson. The chairperson shall rule any applicant, applicant representative, member of the public or ZBA member out of order for making inappropriate statements or comments. The chairperson reserves the right to limit the time allotted for testimony or public comment.

Section 5. All meetings, special meetings and workshops of the ZBA are open to the public and governed by the Freedom of Information Act with the exception of executive sessions. At regular and special ZBA meetings the public is allowed to comment on specific agenda items. During workshops the public may be allowed to comment provided there is a majority vote in the affirmative by the ZBA members present.

ARTICLE V Amendments to Bylaws

The ZBA shall have the authority to amend these bylaws by vote at a regular or special meeting provided that all members receive written notice of potential bylaws amendments at least seven (7) days prior to the date of the meeting.

Hi Danielle,

I wanted to make sure to get back to you as soon as possible with an answer to your question on the Board of Appeals rules of procedure. The state law that governs municipal Boards of Appeals states:

“The board may provide, by regulation which shall be recorded by the secretary, for any matter relating to the conduct of any hearing, provided that the chair may waive any regulation upon good cause shown.” 30-A M.R.S.A. § 2691 (2)(C).

This provision gives the Board of Appeals the authority to adopt its own rules of procedure, as long as the rules are procedural only and not substantive. While review by the Board of Selectmen is not necessary under the statute, we think it would be prudent for the BOA to submit its draft rules of procedure to the Selectmen for their review and comment before formally adopting the rules.

I am still researching your question related to the reduction from minimum setbacks and will get back to you on that as soon as possible. Please let me know if you have any further questions.

Take care,

Phil
30-A §2691. BOARD OF APPEALS

30-A §2691. BOARD OF APPEALS

This section governs all boards of appeals established after September 23, 1971. [1987, c. 737, Pt. A, §2 (NEW); 1987, c. 737, Pt. C, §106 (NEW); 1989, c. 6, (AMD); 1989, c. 9, §2 (AMD); 1989, c. 104, Pt. C, §§8, 10 (AMD).]

B. The secretary shall maintain a permanent record of all board meetings and all correspondence of the board. The secretary is responsible for maintaining those records which are required as part of the various proceedings which may be brought before the board. All decisions become a part of the record and must include a statement of findings and conclusions, as well as the reasons or basis for the findings and conclusions, upon all the material issues of fact, law or discretion presented and the appropriate order, relief or denial of relief. Notice of any decision must be mailed or hand delivered to the petitioner, the petitioner’s representative or agent, the planning board, agency or office and the municipal officers within 7 days of the board’s decision. [1991, c. 234, (AMD).]

F. The board may reconsider any decision reached under this section within 45 days of its prior decision. A request to the board to reconsider a decision must be filed within 10 days of the decision that is to be reconsidered. A vote to reconsider and the action taken on that reconsideration must occur and be completed within 45 days of the date of the vote on the original decision. The board may conduct additional hearings and receive additional evidence and testimony as provided in this subsection. Notwithstanding paragraph G, appeal of a reconsidered decision must be made within 15 days after the decision on reconsideration. [2003, c. 635, §1 (AMD).]

1) Call to order: The Town Manager called the pre-bid meeting to order at 2:01pm and stated that the purpose was to answer questions before the sealed bids were due the following week.

Danielle Loring announced that there was a clarification with the property listing. She stated that map 031, lot 003 also included map 031, lot 002 because they had been combined by the town but the change had not been recorded on the tax maps.

2) Questions:

Mrs. Loring stated that they were going to review the questions that had already been submitted and would take additional questions after.

1. **Question:** What are the building restrictions on Map 030, Lot 003, building permit, variances...etc.
   **Answer:** This lot is considered a buildable lot in the LRR1 zone as an existing nonconforming lot of record and would be held to outlined setbacks (30’ front/rear, 20’ sides and 100’ high water) and zoning. Would have to submit for building permit as well submit appropriate site evaluation showing the location of well, subsurface design and building envelop.

2. **Question:** Would the driveway access to any building on Map 030, Lot 003 have to come off Haskell Ave or are there other options?
   **Answer:** This parcel has road frontage on Haskell Ave and Andrew Davis Way, which means that it...
could have a driveway on either but the appropriate entrance needs to be applied for and approved by the Code Officer and Public Works Director.

3. **Question:** Could Map 030, Lot 003 be subdivided?  
   **Answer:** No. It does not have the acreage and does not currently meet the minimum acreage for that zone.

4. **Question:** What are the annual taxes for Map 030, Lot 003?  
   **Answer:** Based on the assessed value at $67,000 and the current mill rate of $11.25, the taxes would be $753.75.

5. **Question:** Will the town accept the highest bid no matter how low, or is there a minimum bid for the properties?  
   **Answer:** There is no minimum bid for the property but the town is looking to at least capture the back taxes and interest for the property, which has been calculated through the date of the bid opening. However, the Selectmen will not be considering these properties until their October meeting and there may be additional interest that will need to be paid. Bidders should also consider the real value of the property and have their bids come in somewhere in between the two.

6. **Question:** Will back taxes be paid out of the winning bids?  
   **Answer:** Yes.

7. **Question:** Is the setback for a septic 50’ from the property line?  
   **Answer:** No. The Town follows the State plumbing code which is 10’ from the property line but that could be reduced to 5’ with a variance. Wells had to be 100’ back from septic but could also get variances with additional shielding.

8. **Question:** Acreage for combined lots Map 031, Lots 002 & 003?  
   **Answer:** 1.05 acres

9. **Question:** What is the inset line depicted on the map that goes into Map 030, Lot 003?  
   **Answer:** It appears to be a right-of-way. Bidders will need to do their deed research and due diligence to see if anyone can assert rights to the listed properties.
   a) **Followup Question:** Due to the right-of-way, would it be hard to meet setbacks.  
      **Answer:** Could be.
   b) **Followup Question:** Could the right-of-way be moved?  
      **Answer:** Possibly. If all those with access were agreeable, but the language would have to be reviewed by an attorney.

10. **Question:** Is 0 Cobb Road a buildable lot?  
    **Answer:** No. It is too small, in Resource Protection and does not proper access, but could have a winding path to the water or a campsite but no RV’s.

11. **Question:** If 0 Haskell was purchased by the campground, could they do any commercial business out of there?  
    **Answer:** Possibly. It would require Planning Board approval.

12. **Question:** Is 0 Boulder Road buildable?  
    **Answer:** No, but has water access to Panther Pond.

13. **Question:** What happens if the town does not receive bids for a property?  
    **Answer:** The Town would keep the property and may send out for rebid.

14. **Question:** No minimum bid?  
    **Answer:** No, but the Selectmen can reject any bid, but the bidder needs to make an offer based on their comfort levels.

15. **Question:** What are the taxes for 0 Cobb?  
    **Answer:** The annual taxes, based on the assessed value of $33,500 and the current mill rate of $11.25, would be $376.85.

16. **Question:** What are the taxes for 0 Bond Street?  
    **Answer:** The annual taxes, based on the assessed value of $68,600 and the current mill rate of $11.25, would be $771.75.
    a) **Followup Answer:** Because the properties were in the Town’s name as of April 1, 2013, they were not assessed taxes for the FY2013-14 year.

There were no more questions regarding the properties. Mrs. Loring reminded the group that sealed bids were due in no later than 3:00pm on Thursday, September 26, 2013 and that their bids should be checked in by a member of staff. She pointed out that there were updated packets available that also included the
9) **Adjournment.**

Mr. Willard closed the pre-bid meeting at 2:23pm.

Treasurer, Raymond, Maine

STATE OF MAINE
COUNTY OF CUMBERLAND, ss. ____________________, 2010

Personally appeared the above named ______________________, in his/her capacity as Treasurer of the Town of Raymond, Maine and acknowledged the foregoing instrument to be his/her free act and deed and in his/her said capacity for the municipal corporation.

Before me,

________________________________

My Commission Expires:
1. The purpose of this policy is to provide guidance regarding properties acquired by the Town for non-payment of taxes.

2. If the former owner, after the property has achieved tax acquired status, requests a reasonable payment schedule that will provide for the repayment of all outstanding taxes, the Tax Collector will allow a payment schedule for up to 60 months from the date of automatic foreclosure. (a) If the payment schedule, as established by the Tax Collector, is not acceptable to the taxpayer, appeal may be made to the Board of Selectmen.

3. If the Taxpayer becomes more than 90 days delinquent in meeting the payment schedule as established, or is not current as of June 30th of any given year, the account will be referred to the Board of Selectmen for redemption and/or sale.

4. If the Selectmen determine that a property should not be retained under Section 5 and that the taxpayer is delinquent under Section 3, the Taxpayer or other party in interest will be offered the right of immediate redemption by paying all outstanding taxes, interest and costs within 30 days of receiving notice.

5. Retention of Property: The Selectmen shall retain property for the benefit of the Town, if they deem it in the best interest of the town to do so. By way of example, but not of limitation, the Selectmen might deem it in the best interest of the town to retain property where: (a) The property has or will have recreational value or economic value to the Town, (b) The property has or will have potential for a public facility or additions to public facilities, (c) Retention of the property will provide a residence for an individual or individuals who otherwise will require public assistance from the Town.

6. Sale: If a property is not retained by the Selectmen under Section 5, and if the property is not redeemed under Section 4, the property shall be sold by sealed bid or any other method approved by the Selectmen which maximizes the return to the Town. Subject: State Bond Referendum November 5, 2013

I would appreciate the Board of Selectmen approving the scheduling for the Maine State Bond Referendum scheduled for Tuesday, November 5, 2013 from 7:00 am to 8:00 pm at Jordan Small Middle School.

I would also appreciate the Board of Selectmen appointment Laurie Forbes as warden for that event.
I had a meeting with Kelly Mank, Windham Eagle, several weeks ago. We talked about what it would take to get the Windham Eagle and the Road Runner merged together.

- Windham Eagle delivers to every home and p.o. box in Raymond every Friday.
- Windham Eagle will format, print and deliver the newspaper with a Road Runner section in it.
- We can either do it weekly or once a month (I suggest once a month).
- They said we can have as many pages as we need to put all our articles in.
- They will do a cover page article regarding the two merging together.
- We pay them $1,000 a month to do all this. (This is a starting figure).

- We would not have to pay someone to organize the paper. We would not have to pay for printing and delivering of the paper.

People are asking for the paper to come back because that was their way of keeping connected with the Town. Not everyone has internet or television.

There are so many committees and organizations in the Town of Raymond that we would have no problem getting lots of articles. I propose that we make this one of the Committees that a board member volunteers for. I will volunteer to start this committee. I would send out emails to all the committees and organizations informing them of the newspaper.

Also, Laurie Forbes has volunteered to monitor the Town forum site. She has done this before and is very aware of protocol. One thing she said it will not become is a town bashing site. It will remain appropriate. It is fine if people have concerns or complaints but keeping them in check.

I ask that the Board consider both these options.

Thank you

Teresa
Effective immediately I am resigning my position on the Town of Raymond Zoning Board of Appeals.

POST ISSUANCE COMPLIANCE POLICY

DRAFT

The Town issues tax-exempt bonds from time to time to finance various capital improvements. As an issuer of such tax-exempt bonds, the Town is required by the Internal Revenue Code of 1986, as amended, (the “Code”) and regulations promulgated by the United States Treasury Department to take certain actions subsequent to the issuance of such bonds to ensure the continuing tax-exempt status of the bonds.

The Town recognizes that compliance with applicable provisions of the Code and Treasury Regulations is an on-going process, necessary during the entire term of a bond issue, and is an integral component of the Town's overall debt-management responsibilities. These requirements apply equally to capital leases. Accordingly, the implementation of these requirements will require on-going monitoring and consultation with Bond Counsel.

Issuance:

The Select Board shall approve the terms and structure of bonds issued by the Town. Such bonds shall be issued in accordance with United States Treasury Department Regulations, the Internal Revenue Code of 1986, as amended, and State statutes. Specific post-issuance compliance procedures are addressed below.

General Procedures:

The following guidelines will be used to monitor compliance with post-issuance requirements:

1. The Town Treasurer, or the Treasurer's designee, shall serve as the Compliance Officer and shall be the person primarily responsible for ensuring that the Town successfully carries out its post-issuance responsibilities. The Compliance Officer shall be assisted by the following persons or entities:
   a. Bond Counsel
   b. Financial Advisor
   c. Paying Agent
   d. Rebate Specialist

The Compliance Officer shall be responsible for assigning post-issuance responsibilities to other staff, Bond Counsel, the Financial Advisor, the Paying Agent, and the Rebate Specialist, and shall utilize such other professional services as are necessary to ensure compliance with all post-issuance requirements.

2. The Compliance Officer shall verify that the following post-issuance actions have been taken on behalf of the Town with respect to each issue of tax-exempt bonds:
   a. Ensure that a full and complete record for the principal documents of each issue has been completed by Bond Counsel and the Financial Advisor;
b. Ensure that the Internal Revenue Service (IRS) forms 8038 are properly filed with the IRS by Bond Counsel within the time limits imposed by Section 149(c) of the Code;

c. Account for the allocation of the proceeds of the tax-exempt bonds to expenditures as required by the Code;

d. Coordinate receipt and retention of relevant books and records with respect to the investment and expenditures of the issue proceeds;

e. Identify proceeds of tax-exempt obligations, in consultation with Bond Counsel and the Financial Advisor, that are yield-restricted and monitor the investments of any yield-restricted funds to ensure that the yield on such investments does not exceed the bond yield to which such investments are restricted;

f. Determine, in consultation with Bond Counsel and the Financial Advisor, whether the Town is subject to the rebate requirements of Section 148(f) of the Code and related Treasury Regulations with respect to each issue of the Town. The Compliance Officer shall contact a Rebate Specialist, as required, prior to the fifth anniversary of the date of issuance of each issue and each fifth anniversary thereafter until the obligation has matured to arrange for calculation of the rebate requirements, as needed, to be paid by the Town. If any rebate is required to be paid to the IRS, the Town Compliance Officer will file Form 8038-T, along with the required payment.

g. Shall monitor the use of all financed facilities in order to determine whether private business uses of financed facilities have exceeded the de minimus limits set forth in Section 141(b) of the Code (generally a value or benefit equal to 10% of issue proceeds) that provide special legal entitlements to non-governmental persons.

3. The Compliance Officer shall collect and retain the following records with respect to each issue of tax-exempt obligations and with respect to the facilities financed with the proceeds of such Obligations:

a. Audited financial statements of the Town;

b. Appraisals, surveys, feasibility studies, if any, with respect to the facilities to be financed with issue proceeds;

c. Trustee or Paying Agent statements;

d. Records of all investments and the gains (or losses) from such investments;

e. Expenditures reimbursed with the issue proceeds;

f. Allocation of issue proceeds to expenditures (including cost of issuance) and the dates and amounts of each expenditure (including requisitions, draw down schedules, invoices, bills, and canceled checks as related to each expenditure);

g. Construction or renovation contracts for financed facilities or projects;

h. Maintain an asset list of all tax-exempt financed depreciable property and sales of tax-exempt financed assets;

i. Arbitrage rebate reports and records of rebate and yield reduction payments, if any;

j. Orders, Resolutions, and other actions, if any, adopted by the Town subsequent to the date of issue of the obligations; and

k. Relevant correspondence relating to such bonds.
The records collected by the Town shall be stored in any format deemed appropriate by the Compliance Officer and shall be retained for a period equal to the life of the tax-exempt obligations, including the life of any obligations issued to refund obligations, plus three (3) years.

4. In addition to its post-issuance compliance requirements under the Code and Treasury Regulations, the Town has agreed to provide Continuing Disclosure, such as annual financial information and material event notices. The continuing disclosure obligations are governed by the Continuing Disclosure Documents and by the terms of Rule 15c2-12 under the Securities and Exchange Act of 1934, as amended and officially interpreted from time to time.
