Resolution: We, the Raymond Board of Selectmen, recognize our individual and collective responsibilities as leaders and representatives of our community. To this end, we pledge to conduct ourselves in a manner befitting these roles and duties. We pledge and encourage others to “Be the Influence” and to recognize that decisions matter.

1) Call to order

2) Minutes of previous meetings
   a) November 10, 2015

3) Old Business

      As requested by the Board of Selectmen Mr Sparrow has assembled responses to questions that were raised during the board meeting on November 10th.

      Additionally ReVision Energy has drafted a new PPA proposal based on a lower utility escalator (2%), which the board may find more in line with anticipated utility rate increases over time. A table of historical energy prices has also been provided.

   b) Draft Budget Development Schedule for FY 2016-2017 – Nancy Yates, Finance Director

      Nancy Yates, Finance Director, will provide a draft Budget Development Schedule for FY 2016-2017 for discussion, possible amendment, and Selectmen approval.

4) New Business
   a) Annual Liquor Licensing & Inspections – applications attached

      • William and Kimberly Hines of Whines Ent. Inc. DBA Cafe Sebago, 1248 Roosevelt Trail

      The fire department will perform the requisite life safety and fire protection ordinance inspections within the next week. Application is attached to the ePacket. No complaints of any kind have been lodged with the Town against Cafe Sebago regarding their operations. Staff is recommending approval of this renewal liquor license contingent upon a favorable inspection report from the fire department.
A La Mexicana

The fire department will perform the requisite life safety and fire protection ordinance inspections within the next week. Application is attached to the ePacket. No complaints of any kind have been lodged with the Town against A La Mexicana regarding their operations. Staff is recommending approval of this renewal liquor license contingent upon a favorable inspection report from the fire department.

b) Discuss Awarding Bids for Tax Acquired Properties – Sue Carr, Tax Collector

Beginning November 12th the bid packets were advertised and available online and in the Town Office. The bids were due back by December 3rd, giving potential bidders 21 days to submit bids. There were no bids submitted. 2 property owners paid their taxes in full prior to the close of bids. The staff is recommending that the remaining 3 properties be put up for bid again in the Spring.

c) RSU #14 Update – Diana Froisland, RSU #14 Board of Directors

d) Discuss and Set FY2016-17 Budgetary Goals

The Board will review last year’s budgetary goals, discuss any changes to the goals, and create new budgetary goals for FY2016-17.

e) Fee Schedule Annual Update – Sue Look, Town Clerk

The Tassel Top Board of Directors have set their fees for next season and their fees are included in the Town’s Fee Schedule (changes to which must be approved by the Board of Selectmen). There are no fee changes to Town of Raymond fees.

5) Public Comment

6) Selectman Comment

7) Town Manager’s Report and Communications

a) Welcome to New Employee – Cynthia Davenport, part-time counter clerk

b) Confirm Dates for Upcoming Regular Meetings

- January 12, 2016
- February 9, 2016
- March 8, 2016

c) Upcoming Holiday Schedule

- Thursday, December 24, 2015 – Close at noon in observance of Christmas
- Friday, December 25, 2015 – Closed in observance of Christmas
- Thursday, December 31, 2015 – Close at noon in observance of New Year’s Day
- Friday, January 1, 2016 – Closed in observance of New Year’s Day

8) Fiscal Warrant – December 8, 2015

a) Treasurer’s Warrant

9) Adjournment
Resolution: We, the Raymond Board of Selectmen, recognize our individual and collective responsibilities as leaders and representatives of our community. To this end, we pledge to conduct ourselves in a manner befitting these roles and duties. We pledge and encourage others to “Be the Influence” and to recognize that decisions matter.

Selectmen in attendance: Mike Reynolds, Joe Bruno, Teresa Sadak, and Samuel Gifford

Selectmen absent: Lawrence Taylor

Town Staff in attendance:
Nancy Yates – Finance Director
Rita Theriault – Human Resource Officer
Nathan White – Public Works Director
Bruce Tupper – Fire & Rescue Chief
Cathy Gosselin – Deputy Chief
Sue Look – Town Clerk

1) Called to order at 7:00pm by Chairman Reynolds.

2) Minutes of previous meetings
   a) October 20, 2015
      Motion to approve the minutes listed above by Selectman Gifford. Seconded by Selectman Sadak.
      Unanimously approved.

3) New Business
   a) Electronic Payroll Update – Nancy Yates, Finance Director and Rita Theriault, Human Resource Officer
      The offerings of two different companies were explored – ADP and Advantage Payroll (Paychex). Each offers on-line payroll, tax filing, archiving of reports, time & attendance, and human resources compliance reporting. Town staff recommends Paychex (Advantage Payroll) at an annual cost of $7,055.64 (based on an average payroll of 40 employees per bi-weekly pay period).

      Finance Director Yates – As requested we looked into outsourcing payroll and looked at the above. Both offer online time & attendance, have HR reporting and files, etc. Both were very good, ADP was more expensive. If I speak from an employee point of view I would say weekly, but it is $2,200 more to go with Paychex weekly.

      Chairman Reynolds – How do we let employees know how much sick/vacation they have?
Finance Director Yates – It is electronically on their pay-stub. It is an automatic update. We only have to change accrual rates for employees as they get to certain milestones. We have 18 employees who accrue vacation/sick. The HR function is included in the price.

Selectman Sadak – I asked them to give us a cost of in-sourcing. Outsourcing means cutting a check and sending it out. Insourcing means multi-tasking. The employee cost currently is $4,212 for weekly and Paychex is $9,200 for weekly. It will cost thousands more, about $5,000 more to outsource payroll. If we go to an outsourced solution Rita will be spending a good deal of time fixing errors and training employees.

Selectman Bruno – Whenever you change anything there is a learning curve. If you do not want to modernize…

Selectman Sadak – We are modernizing.

Chairman Reynolds – How does the supervisor approval work in Paychex?

Finance Director Yates – The supervisor will sign into their portal and have to approve each employee’s.

Chairman Reynolds – Currently we are doing this manually via signatures.

Selectman Sadak – I was surprised that there is that much difference between keeping it in-house and outsourcing. There is only a $2,200 difference between weekly and bi-weekly and it is too much of a burden on the hourly employees for this little cost. I feel strongly about keeping it as is.

Chairman Reynolds – There is a savings and there is a learning curve to use the new portals. The practicality of having a portal that you can access whenever you like intrigues me. Do we require direct deposit? No, there are a few printed checks. Does Paychex require direct deposit? They will do what we want.

Selectman Bruno – I have a viewpoint on this from my business background. The prices quoted were not negotiated and if we go back to Paychex they will cut the price considerably. I know how I will be voting. If you want to go with paper ledgers, go for it.

Selectman Sadak – I don’t think it is big enough money change to throw off the employees. We do not know everyone’s situation. If you are living paycheck to paycheck, week to week, some employees may need to go get a second job to make it between paychecks the first time.

Town Manager Willard – There is a fear amongst the hourly employees about changing to bi-weekly.

Public Works Director White – I have a couple of concerns about the bi-weekly. The Public Works employees do not have PCs to enter their hours and this could mean more time on me or on Rita.

Mr. Woodbrey – Paychex must have an app that can be put on their phone.

Chief Tupper – Money management is a big piece of the fear of going from weekly to bi-weekly. I have automatic payments set up with our checks as they are and I would need to modify how this worked. It would be detrimental to those employees who do not manage money well between paychecks.
Chairman Reynolds – If we switch from weekly to bi-weekly there would be change. There would be advantages and disadvantages to outsourcing. There is a learning curve to managing money from weekly to bi-weekly. I wish the document Teresa presented had been done prior to the creation of the packet, not on the day of the meeting to be sure we have information to the public.

Selectman Bruno – If you had your druthers would you keep things the same?

Finance Director Yates – I would go to the electronic and keep it weekly for the archival information electronically.

Town Manager Willard – If you want to have a high performance system it is hard to do it with our current system.

Selectman Sadak – I am all for outsourcing, I am worried about the bi-weekly.

Chairman Reynolds – In the future we will have the ability to get reports that will reduce staff time.

**Motion** to stay with a weekly payroll by Selectman Sadak. No second.

**Motion** to change to bi-weekly by Selectman Bruno. Seconded by Selectman Gifford.

People would have 30 days notice.

Selectman Bruno – I would also suggest that you go to requiring direct deposit.

Human Resource Officer Theriault – I would be concerned about the young workers at Tassel Top and Election workers.

Selectman Bruno – Are we saying that we need to handhold everyone and assume that they are not capable to do what they have to do.

Chairman Reynolds – To require direct deposit it would mean all new paperwork, which a new payroll company would require anyway.

Human Resource Officer Theriault – There are about 4 full-time employees who do not use direct deposit.

**Voted 3-1, approved.**

**Motion** to go with Paychex and begin negotiations by Selectman Bruno. Seconded by Selectman Gifford.

Chairman Reynolds – We would want to get a reduction of the price via negotiations. We do want to begin January 1, 2016.

Chief Tupper – We would have our admin enter the data for the employees who are on standby, on a call, etc. We have a system where we enter and track the hours per event and apparatus.

**Voted 3-1, approved.**
b) **“Drug Free Zones” Update** – Don Willard, Town Manager

Signage has been ordered and delivered, and is now awaiting installation by the Public Works Department, which will occur as soon as possible. Law enforcement is aware of this vote. The Raymond Village Public Library asked why they were not included on the town list and their trustees will be voting to request that the town designate them at a future Selectmen’s Meeting.

Public Works Director White – We lost multiple signs and posts on Halloween and once we get the posts delivered the signs will be put up.

ReVision Energy is offering to finance, own, and operate a 40.8 kW solar array on the Town of Raymond’s District 2 building for a contract term of 20 years, with an option to extend to 30 years. The town would purchase all electricity from the system at $0.107 per kWh ($0.01 less than CMP) for the first year and increasing at 4% per year thereafter. After 6 years, the town would have an annual opportunity to buy the entire solar array at its fair market value (estimated now at $55,248) or continue to buy the power from ReVision Energy.

The Fire Chief is recommending that the Selectmen approve this proposal.

The radio tower is live as of today and it appears that we have much better coverage, it appears that there are no longer dead-spots in town. The new tower is on Valley Road opposite Winding Way that was purchased 2 years ago and it replaces the antenna at the Town Office.

Town Manager Willard – Our Public Works Director found the back-up generator for the project.

Chief Tupper – We began looking at District 1, but due to construction of the building District 2 is a better candidate. This project is a long term project that will show savings overtime.

The system would not have batteries, it is fed directly to the utility grid. It is in everyone’s best interest for the town to buyout the equipment in the 7th year. Raymond would have 160 solar panels and under perfect conditions it would produce about 43,000 kWh. District 2 would not use all of this power and the Town could use the excess for up to 9 other meters. The panels are warranted for 25 years and they should work for about 40 years. Panels have broken if there is a roof above the panels and snow slides off. Wind and hail have not broken any panels in the past 12 years with 4,500 installations. When we put the panels on the roof the shingles do not age as quickly. If the roof is 10-15 years old we suggest reshingling before installation. Solar panels lose about a .5% performance each year. Price of solar increases after year 6 as an incentive for the town to buyout the equipment. ReVision Energy is a Maine company who is investing in towns/non-profits in Maine.

Selectman Bruno – how close have you been at estimating the cost of power?

Mr Sparrow – I would need to look that up.

Selectman Bruno – I don’t see us paying 5% more per year for the next 30 years. I would like to see the results of other project and how close the costs/savings are to the projected. I don’t care if we put up solar panels.

Mr Sparrow – This makes budgetting and payment more static.

Chairman Reynolds – Currently we are paying $5,000 per year?
Mr Sparrow – The chart is only showing a part of the costs. This system does not produce enough power to run all of the town buildings.

Selectman Bruno – The Northeast has the highest electricity cost in the nation.

Selectman Sadak – We will also have to pick up the cost of maintenance once we own it.

Selectman Bruno – Why couldn’t we simply pay $0.01 less than CMP instead of the cost on your chart. I don’t want to make a decision tonight without more data, especially historical.

Mr Sparrow – this isolates the town against rising energy prices.

Public Works Director White – the roof is structurally sound.

Town Manager Willard – It is my understanding that the panels do not add an appreciable amount of weight and they reduce the snow load by melting it.

Chairman Reynolds – do you have anyway to look at the cost over time?

Finance Director Yates – yes, but not by kWh without looking at individual invoices.

Mr Sparrow – Tax credits expire a year from this January. I will go back and pull together some history and comparisons with other projects in Maine. This PPA structure is new. Maine is almost all PPA projects for us.

Motion to table this to the next meeting by Sam. Seconded by Joe. Unanimously approved.

d) Appointment of Beautification Committee Members

Proposed new members: Mitzi Burby, 64 Spiller Hill Rd, and Jan Miller, 59 Hancock Rd

Current Chair is Sharon Dodson. Current membership: Mike Reynolds, Shirley Bloom, Stephanie Bubier, Fran Gagne, Elissa Gifford, Elaine Keith, Christine McClellan, Mike McClellan, Mary McIntire

Motion to appoint Mitzi Burby and Jan Miller by Selectman Bruno. Seconded by Selectman Gifford. Unanimously approved.

e) Draft Budget Development Schedule for FY 2016-2017 – Nancy Yates, Finance Director

The first draft of the budget development schedule for fiscal year 2016-2017 will be presented to the Board of Selectmen for review, possible amendment, and approval.

The budget goals and directives will be added to the December 8th agenda and the remainder of the Budget Development Schedule for FY 2016-17 will be reviewed on December 8th.

f) Tax Abatements/Supplemental Assessment – Curt Lebel, Contract Assessor

2 abatements and 1 supplemental assessment recommended for approval.

- $304.73 Abatement – Timothy Pomerleau III – property overvalued in light of access and development issues
- $57.36 Abatement – Beth Urbano – personal property disposed of prior to assessment
Motion to grant above abatements by Selectman Bruno. Seconded by Selectman Gifford. **Unanimously approved.**

- $395.55 Supplemental – Allen Family LLC – assessment of taxable personal property omitted from original commitment of taxes
Motion to add above supplemental tax by Selectman Gifford. Seconded by Selectman Bruno.
**Unanimously approved.**

4) **Public Comment** – none

5) **Selectman Comment**
Chairman Reynolds – Library – 2015 annual appeal has been emailed. You can also go to their website to donate. Annual Holiday Gift Baskets sale will begin on the 15th. The baskets will be in the Library until mid December. Next Thursday is Lawyers in the library offering free legal answers to questions. Annual tree lighting is Nov 29th at 5pm. There will be a ham and turkey raffle coming up as well.

6) **Town Manager’s Report and Communications**
   a) Raymond Fire & Rescue Elected Official / Town Employee Academy
   - Sunday, November 22, 2015, 12:30pm to 4:30pm, at Raymond Public Safety Building
   b) **Confirm Dates for Upcoming Regular Meetings**
   - December 8, 2015
   - January 12, 2016
   - February 9, 2016
   c) **Upcoming Holiday Schedule**
   - Wednesday, November 11th – Closed in observance of Veterans' Day
   - Thursday, November 26th & Friday, November 27th – Closed in observance of Thanksgiving
   d) Welcome to Bill Fraser our new videographer.

7) **Fiscal Warrant – November 10, 2015**
   a) **Treasurer’s Warrant**
Motion to approve Treasurer’s Warrant for a total of $229,953.80 by Selectman Sadak. Seconded by Selectman Gifford.
**Unanimously approved.**

8) **Adjournment**
Motion to adjourn at 9:06pm by Selectman Gifford. Seconded by Selectman Sadak.
**Unanimously approved.**

Respectfully submitted, _____________________________
Susan L Look, Town Clerk

Selectman’s Meeting Agenda Summary (Page 6 of 6) November 10, 2015
November 30, 2015

Don Willard, Town Manager
401 Webbs Mills Road
Raymond, ME 04071

Dear Mr. Willard,

I am writing in response to questions that were raised regarding the Town of Raymond Solar PPA at the Board of Selectmen meeting on November 10, 2015.

The most significant concern with the board was that the 5% PPA rate escalator used in PPA rate schedule was too aggressive. Based on this input we have redrafted the PPA offer and corresponding rate schedule based on a 2% rate escalator. In order to compensate for the lower escalator the rate spike in year seven of the PPA is slightly higher than previously proposed. This will not affect the town if it plans to buy the system in year seven.

Historical increases in electricity costs since 1990 have averaged between 2% and 2.4% (adjusted for inflation). Including an inflation rate of 2% the net increase in utility costs has been 4% to 4.4%. The 2% escalator being used in the PPA proposal should trend slightly below utility rates. – (see attached utility rate sheet)

During the meeting the idea was brought up by the board to have the solar PPA rate fluctuate, or ‘float’ with the utility rate. We did this with a few of our first PPA systems, but the task of tracking the utility rate and adjusting the PPA rate has proven to be an administrative burden. ReVision Energy no longer floating rates for PPA projects.

Per the request of the Select Board I am including an Annual Report from a PPA project that has been in service for over two years. The project is located at Thomas College and has a nominal output rating of 123kW. The report shows that the energy production of the system has exceeded expectations since it was installed.

Please let me know if there are any other questions, concerns, or comments that should be addressed prior to the next Board of Selectmen meeting, which I have scheduled for 7:00PM Tuesday, December 8th.

Best Regards,

Geoff Sparrow

Professional design, installation and service of solar energy systems

40.8 kW Solar PPA Proposal

Town of Raymond Solar Power Purchase Agreement
November 30, 2015

Engineer’s Rendering of 40.8 kW Solar Electric System at Town of Raymond Fire Station
November 30, 2015
Don Willard, Town Manager
Town of Raymond
401 Webbs Mills Road
Raymond, ME 04071

Dear Mr. Willard,

Thank you for considering ReVision Energy as Town of Raymond’s solar partner! We appreciate this opportunity to work together to bring solar energy to your town and to significantly reduce the town’s dependence on purchasing utility power.

Based on an analysis of your town-owned buildings and energy usage, ReVision Energy is excited to propose a 40.8 kilowatt (“kW”) grid-tied solar electric system to be located on the Town of Raymond’s fire station roof. With this letter, ReVision is offering to develop the system using a Power Purchase Agreement (“PPA”) ownership structure in which Revision will own and operate the solar system on behalf of the town. This allows the town to benefit from the solar project at zero upfront capital cost, and enables it to buy less expensive solar power generated on its own rooftops.

The Revision PPA is designed to be competitive with market rates, yet also overcome the lack of renewable energy incentives in Maine. We do this by establishing two PPA price components. First, the base price is set in year one at a discount versus the Town’s current CMP rate, which allows the town to purchase solar power for less than electricity from traditional fossil fuel sources. Thereafter, the PPA price is designed to rise at a slower rate (2%) than historical trends for Maine’s commercial electricity rates (4.5%). This should allow the town to purchase solar power for less than the standard power offered from utilities through the first six years of the PPA term.

Second, to overcome the lack of a renewable energy incentives in Maine, the ReVision PPA includes a solar premium beginning in year seven. This allows ReVision as project owner to recover its investment should the town choose to continue to purchase electricity from the solar project in years 7-20, and also encourages the town to consider purchasing the solar project in year seven.
Here are the details of the Solar Power Purchase Agreement:

Under the terms of the PPA proposal, ReVision Energy is offering to finance, own and operate a 40.8 kW solar array on the Town of Raymond fire station rooftop for a contract term of twenty years, with an option to extend to thirty years. Placing the system in private ownership enables the project to capture federal renewable energy tax credits that are unavailable to the town. The town would purchase all electricity from the system at the PPA rate shown in the schedule below.
After the first six years, Town of Raymond will have an annual opportunity to compare the solar PPA rate to the market, to look at capital and borrowing opportunities, and to determine whether it is a better choice to keep buying solar power, or to purchase and own the entire solar array at its fair market value. If the town chooses to own the array all the electricity generated thereafter is essentially free. Solar arrays have a productive commercial lifetime of forty years or more; and because the solar output over time is completely predictable, the Town of Raymond can calculate the payback time of any system purchase in any year. That payback time will always be less than the expected productive lifetime of the array. (See graph below.)

The partnership between Town of Raymond and ReVision allows the town to demonstrate real and visible commitment to energy independence in our New England region, while saving money on electricity for the full twenty (or thirty) year period. Our partnership puts the Town of Raymond in the vanguard of those taking action to solve our energy challenges, all the while conserving dollars that can be put to better use, contributing to our local economy.
Year 7 Purchase Option

At any point past year 6 of the Power Purchase Agreement, Town of Raymond has the option to purchase the entire system at an estimated fair market value in year seven of $54,874. At the end of year six the town will have previously saved $4,746 on its energy bill via the PPA. Therefore the total cost over six years to Town of Raymond is approximately $50,128. This equates to a net savings of $200,230 compared to purchasing power from the utility over the next 30 years. Once the system is purchased by the town in year seven the investment will be paid back in just 6 years.

www.raymondmaine.org
Here are the responsibilities of Town of Raymond:
  o Lease the roof and utility room space required for the solar installation to ReVision Energy for $1/year;
  o Purchase all the solar electricity generated according to the PPA schedule;
  o Obtain a net metering contract with CMP (ReVision will arrange that for the town. The town will need to sign);
  o Add a liability insurance rider to your regular coverage, to cover the solar facility.

Here are the responsibilities of ReVision Energy:
  o Build, own and operate the solar system for the duration of the PPA contract;
  o Market the Renewable Energy Credits, to help pay for the investment;
  o Maintain the system for the duration of the PPA (no O&M costs to the town)
  o Insure the system (both property and liability) for the duration of the PPA.

Here are the Next Steps toward Construction:
  o Town of Raymond gives go-ahead to move to contract;
  o ReVision provides a draft PPA contract;
  o ReVision responds to any information requests from the town;
  o ReVision and Town of Raymond sign the PPA;
  o ReVision begins construction.

Here’s what we need in terms of timing:
  ReVision would like to proceed expeditiously toward construction, recognizing that we need to file all necessary permitting applications as soon as possible in order to achieve a timely construction schedule. We’d like to suggest that we all consider this offer as being open until January 15, 2016, all the while presuming that there are no changes in either Federal or State statutes and the project continues to be eligible for the federal Investment Tax Credit (ITC).
About ReVision Energy & Our Mission

Since 2003, ReVision Energy has installed more than 4,000 solar energy systems in Maine and New Hampshire. To ensure maximum performance and longevity in our harsh climate, each system is designed by ReVision engineers from Brown, Dartmouth, MIT, UMaine and UNH and installed by our in-house team of licensed, professional solar technicians. The company mission is to lead the region’s transition from a fossil fuel based economy to a sustainable, renewable energy based economy. Our solar energy solutions provide our partners with a viable, long-term plan for responsible energy consumption and recurring savings with zero up front capital costs.

ReVision Energy deeply admires the Town of Raymond’s leadership towards energy independence. It is our hope that this project will both reward and aid you in those efforts. Please let us know if we can provide any additional information.

Sincerely,

Annual Report
2013-2014 (Y2)

ReVision Energy PPA Division
Kelsey Cross, PPA Operations Specialist
November 30, 15
I. Summary

This report summarizes the second year of commercial operation of the 169.56 kW grid-tied photovoltaic solar energy array installed on the rooftop of Thomas College Harold Alfond Athletic Center. The system began operation on December 7, 2012 and includes 192 Canadian Solar 240-watt panels, 504 Canadian Solar 245-watt panels, two Solectria 82 kW inverters, and a Solectria datalogger and remote monitoring system.

a. Current Year

ReVision Energy is pleased to report that from December 2013-December 2014 the system experienced no unscheduled outages. The Thomas College Solar array delivered 102.4% of projected output in year two, and included over 179,000 kWh of zero-emission solar power.

The electricity generated by the Thomas College Solar Array in its second year of commercial operation is equivalent to removing over 180,000 pounds of carbon dioxide from the earth’s atmosphere and has saved Thomas College over $3,500 on its electricity costs.

ReVision performed an annual maintenance inspection at Thomas College on January 8th, 2015. Though we were unable to do a complete inspection during this time due to array snow cover, the generation figures suggest that the system remains in excellent working condition. ReVision plans to follow up in the spring of 2015 and complete a full maintenance inspection.

b. Since Placed into Service

Since placed into service, the system experienced no unscheduled outages. The Thomas College Solar Array has delivered 104.1% of projected output since it has been in commercial operation, and included nearly 365,000 kWh of zero-emission solar power.

The electricity generated by the Thomas College Solar Array since it was placed in to service is equivalent to removing over 368,000 pounds of carbon dioxide from the earth’s atmosphere and has saved Thomas College nearly $7,300 on its electricity costs. Further, by purchasing the Renewable Energy Credits generated by the solar energy system rather than selling them on the open market, Thomas College has effectively doubled the environmental benefits associated with the project.
II. Project Information:

| Watts:     | 169,560 |
| Modules:   | (192) 240-Watt Canadian Solar  
|           | (504) 245-Watt Canadian Solar |
| Inverter:  | (2) Solectria 82 kW |
| Meter/Monitor: | Solectria Data Logger |
| Ave. Annual Production: | 175,500 kWh |
| Commissioning Date: | December 7, 2012 |
| Location:  | Thomas College

|           | Waterville, ME 04901 |
| Host Contact | Chris Rhoda, (207) 859-1124 |
| Host Meter | CMP, Intermediate General Service |
| Energy Discount | -2 cents/kWh |
| REC Option | To be sold on open market |
| Billing:   | Quarterly in Arrears |
| Early Purchase Option Starts: | December 7, 2018 |

III. Energy Generation & Carbon Offset

a. Current Year

In year two, the Thomas College Solar Array produced 179,003 kWh of clean solar power, which is 102.4% of projected generation (174,893 kWh). Projections are based on the National Renewable Energy Laboratory PV Watts computer model, using historic weather data for the City of Portland. The Thomas College Solar Array’s year two production is within the +/-10% variation predicted by the PV Watts model. Additionally, local weather conditions in Waterville are different than Portland and are expected to cause further variation from the PV Watts Model.

Additionally, we note that 2013-2014 winter produced exceptional snowfall in Maine, and the resulting snow cover of the Thomas College Solar Array caused lower than expected generation in December, January and February. The low winter generation was more than offset by higher than expected generation in the spring, summer and fall.
Purchasing electricity produced by the Thomas College Solar Array in year two instead of the average electrical power plant in New England resulted in a reduction in the emission of climate changing carbon dioxide (CO2) of over 180,000 pounds (90 tons) – equivalent to eliminating the annual electrical emissions of 11 average American households.

The Thomas College Solar Array also prevented emission of over 82,000 pounds of nitrous oxide and nearly 230,000 pounds of sulfur dioxide – the primary pollutants contributing to the formation of acid rain- in its second year of commercial operation.
b. Since Placed into Service

Since being placed into service, the Thomas College Solar Array produced 364,782 kWh of clean solar power, which is 104.1% of projected generation (350,488 kWh). As you can see, snow cover that takes place in Q1 of each year results in lower than projected generation in both years. This shortfall is more than offset by higher than projected generation during Q2 and Q3 of each year.

Purchasing electricity produced by the Thomas College Solar Array since it began commercial operation instead of the average electrical power plant in New England has reduced emission of climate changing carbon dioxide (CO2) by nearly 370,000 pounds (185 tons) – equivalent to eliminating the annual electrical emissions of 23 average American households for two years.

The Thomas College Solar Array also prevented emission of nearly 168,000 pounds of nitrous oxide and nearly 467,000 pounds of sulfur dioxide – the primary pollutants contributing to the formation of acid rain- since it began commercial operation.
IV. Renewable Energy Credits (RECs)

ReVision Energy is qualified to sell RECs into Maine and two other state markets. ReVision Energy is currently aggregating and arbitraging Thomas College Solar Array’s RECs in order to maximize project revenues. Below is a chart of historic REC prices in markets where ReVision Energy is qualified to sell Thomas College Solar Array’s RECs.

![Average REC Sale Prices](chart.png)

**Cumulative CO2 Offset (lbs)**

**Cumulative SOx & NOx Offset**

- Nox
- SOx
V. Annual Inspection.

An annual performance and safety inspection was performed on January 8, 2015. Though we were unable to do a complete inspection during this time due to excessive snow cover, the generation figures suggest that the system remains in excellent working condition. ReVision Energy has planned to complete a follow up inspection during the spring of year 2015. The future inspection will review the following aspects of the solar array:

- Module Soiling
- Shading/Obstruction Potential
- Structural Attachment
- Weather Sealing
- Corrosion
- Interconnect Wiring
- Junction/Combiner Boxes
- Inverters and Disconnects
- Controls
- Wiring/Conduit
- Terminations and Connections
- Grounding
- Connection Point
- Metering
- Code Compliance
- Safety Compliance
- Use of Labels and Markups

Inverter Room: Excellent Condition  Rooftop Array: Excellent Condition

In closing, on behalf of all of us at ReVision Energy, I would like to express our sincere appreciation to Thomas College for being a leader in development of renewable energy in Maine.

Sincerely,

Kelsey Cross, PPA Operations Specialist

Agenda Item Subject: Draft Budget Development Schedule for FY 2016-2017
Agenda Item Summary: The first draft of the budget development schedule for fiscal year 2016-2017 is being presented to the Board of Selectmen so that they may review and/or edit it, and then approve it.

Action Requested/Recommendation: review/edit/approve budget development schedule

Attachments to Support Request: The 1st draft of the Budget Development Schedule for FY2016-2017 is attached, as well as a 2016 calendar.
November 10, 2015, Tuesday, 7:00 p.m., Broadcast Studio – Board of Selectmen to review/revise draft FY 2016-2017 Budget Development Schedule

December 8, 2015, Tuesday, 7:00 p.m., Broadcast Studio – Board of Selectmen to set budget directives/goals for the budget process

December 18, 2015, Friday – Town Manager submits standardized instructions and budget directives to Department Heads for preparation of budget requests, which are to be returned to the Town Manager by January 22, 2016

January 4, 2016, Monday, 6:30 p.m, Broadcast Studio – Budget/Finance Committee to review/revise draft FY 2016-2017 Budget Development Schedule

January 22, 2016, Friday – All municipal budgets, including CIP, are submitted to the Town Manager

February 12, 2016, Friday – Town Manager submits budget to the Board of Selectmen and Budget/Finance Committee

February 22, 2016, Monday, 6:30 p.m., Broadcast Studio – Selectmen and Budget/Finance Committee review proposed municipal budget expenditures and projected non-property tax revenues (Dept. Head Budget Review #1)

March 7, 2016, Monday, 6:30 p.m., Broadcast Studio – Selectmen and Budget/Finance Committee review proposed municipal budget expenditures (Dept. Head Budget Review #2)

March 22, 2016, Tuesday, 7:00 p.m., Broadcast Studio – Selectmen and Budget/Finance Committee budget workshop

April 5, 2016, Tuesday, 7:00 p.m., Broadcast Studio – Selectmen consider (vote) recommended municipal budget

April 11, 2016, Monday, 6:30 p.m., Broadcast Studio – Budget/Finance Committee to consider (vote) on recommended municipal budget

April 20, 2016, Wednesday – Budget to be submitted to the printers

June 7, 2016, Tuesday, 6:00 p.m., Jordan-Small School – Annual Town Meeting
Annual Liquor License - Cafe Sebago

Department of Public Safety
Division

Promiss by any person that he or she can expedite a liquor license through influence should be completely disregarded. To avoid possible financial loss an applicant, or prospective applicant, should consult with the Division before making any substantial investment in an establishment that now is, or may be, attended by a liquor license.

The undersigned being: Municipal Officers of the City of Raymond, Maine
County Commissioners of the Town of Raymond, Maine
Unincorporated Place of: Raymond, Maine

Hereby certify that we have given public notice on this application and held public hearing thereon as required by Section 653 Title 28A, Maine Revised Statutes and hereby approve said application.

THIS APPROVAL EXPIRES IN 60 DAYS

§ 653. Hearings; bureau review; appeal

1. Hearing. The municipal officers or, in the case of unincorporated places, the county commissioners of the county in which the unincorporated place is located, shall hold a public hearing for the consideration of applications for new on-premise licenses and applications for transfer of location of existing on-premise licenses. The municipal officers or county commissioners may hold a public hearing for the consideration of requests for renewal of licenses, except that when an applicant has held a license for the prior 5 years and a complaint has not been filed against the applicant within that time, the applicant may request a waiver of the hearing.

A. The bureau shall prepare and supply application forms. [1993, c.730, §27 (amd).]

B. The municipal officers or the county commissioners, as the case may be, shall provide public notice of any hearing held under this section by causing a notice, at the applicant’s prepaid expense, stating the name and place of hearing, to appear on at least 3 consecutive days before the date of hearing in a daily newspaper having general circulation in the municipality where the premises are located or one week before the date of hearing in a weekly newspaper having general circulation in the municipality where the premises are located. [1995, c.140, §4 (amd).]

C. If the municipal officers or the county commissioners, as the case may be, fail to take final action on an application for a new on-premise license, for transfer of the location of an existing on-premise license or for renewal of an on-premise license within 60 days of the filing of an application, the application is deemed approved and ready for action by the bureau. For purposes of this paragraph, the date of filing of the application is the date the application is received by the municipal officers or county commissioners. This paragraph applies to all applications pending before municipal officers or county commissioners as of the effective date of this paragraph as well as all applications filed on or after the effective date of this paragraph. This paragraph applies to an existing on-premise license that has been extended pending renewal. The municipal officers or the county commissioners shall take final action on an on-premise license that has been extended pending renewal with 120 days of the filing of the application. [1999, c.589, §1 (amd).]

2. Findings. In granting or denying an application, the municipal officers or the county commissioners shall indicate the reasons for their decision and provide a copy to the applicant. A license may be denied on one or more of the following grounds:

A. Conviction of the applicant of any Class A, Class B or Class C crime: [1987, c.45, PL section 48 (new).]

B. Noncompliance of the licensed premises or its use with any local zoning ordinance or other land use ordinance not directly related to liquor control: [1987, c.45, PL section 48 (new).]

C. Conditions of record such as waste disposal violations, health or safety violations or repeated parking or traffic violations on or in the vicinity of the licensed premises and caused by persons patronizing or employed by the licensed premises or other such conditions caused by persons patronizing or employed by the licensed premises that unreasonably disturb, interfere with or affect the ability of persons or businesses residing or located in the vicinity of the licensed premises to use their property in a reasonable manner: [1993, c.730, §27 (amd).]

D. Repeated incidents of record of breaches of the peace, disorderly conduct, vandalism or other violations of law on or in the vicinity of the licensed premises and caused by persons patronizing or employed by the licensed premises: [1989, c.592, §3 (amd).]

E. A violation of any provision of this Title; and [1989, c.592, §3 (amd).]

F. A determination by the municipal officers or county commissioners that the purpose of the application is to circumvent the provisions of section 601. [1989, c.592, §4 (new).]

[1993, c.730, §27 (amd).]

3. Appeal to bureau. Any applicant aggrieved by the decision of the municipal officers or county commissioners under this section may appeal to the bureau within 15 days of the receipt of the written decision of the municipal officers or county commissioners. The bureau shall hold a public hearing in the city, town or unincorporated place where the premises are situated. In acting on such an appeal, the bureau may consider all license requirements and findings referred to in subsection 2.

A. [1993, c.730, §27 (amd).]

4. No license to person who moved to obtain a license. (REPEALED)

5. (TEXT EFFECTIVE 3/15/04) Appeal to District Court. Any person or governmental entity aggrieved by a bureau decision under this section may appeal the decision to the District Court within 30 days of receipt. Upon resolution of the appeal, if an applicant’s license renewal is denied, the bureau shall refund the applicant the prorated amount of the unused license fee.

STATE OF MAINE
NOTICE – SPECIAL ATTENTION

All applications for NEW or RENEWAL liquor licenses must contact their Municipal Officials or the County Commissioners in unincorporated places for approval of their application for liquor licenses prior to submitting them to the bureau.

THIS APPROVAL EXPIRES IN 60 DAYS.

THIS APPROVAL EXPIRES IN 60 DAYS

NOTICE – SPECIAL ATTENTION

§ 653. Hearings; bureau review; appeal

1. Hearing. The municipal officers or, in the case of unincorporated places, the county commissioners of the county in which the unincorporated place is located, shall hold a public hearing for the consideration of applications for new on-premise licenses and applications for transfer of location of existing on-premise licenses. The municipal officers or county commissioners may hold a public hearing for the consideration of requests for renewal of licenses, except that when an applicant has held a license for the prior 5 years and a complaint has not been filed against the applicant within that time the applicant may request a waiver of the hearing.

   A. The bureau shall prepare and supply application forms. [1993, c.730, §27(amd).]

   B. The municipal officers or the county commissioners, as the case may be, shall provide public notice of any hearing held under this section by causing a notice, at the applicant’s prepaid expense, stating the name and place of hearing, to appear on at least 3 consecutive days before the date of hearing in a daily newspaper having general circulation in the municipality where the premises are located or one week before the date of the hearing in a weekly newspaper having general circulation in the municipality where the premises are located. [1995, c.140, §4 (amd).]

   C. If the municipal officers or the county commissioners, as the case may be, fail to take final action on an application for a new on-premise license, for transfer of the location of an existing on-premise license or for renewal of an on-premise license within 60 days of the filing of an application, the application is deemed approved and ready for action by the bureau. For purposes of this paragraph, the date of filing of the application is the date the application is received by the municipal officers or county commissioners. This paragraph applies to all applications pending before municipal officers or county commissioners as of the effective date of this paragraph as well as all applications filed or after the effective date of this paragraph. This paragraph applies to an existing on-premise license that has been extended pending renewal with 120 days of the filing of the application. [1999, c.589, §1 (amd).]

2. Findings. In granting or denying an application, the municipal officers or the county commissioners shall indicate the reasons for their decision and provide a copy to the applicant. A license may be denied on one or more of the following grounds:

   A. Conviction of the applicant of any Class A, Class B or Class C crime: [1987, c.45, Pt. A, §4 (new).]

   B. Noncompliance of the licensed premises or its use with any local zoning ordinance or other land use ordinance not directly related to liquor control; [1987, c.45, Pt. A, §4 (new).]

   C. Conditions of record such as waste disposal violations, health or safety violation or repeated parking or traffic violations on or in the vicinity of the licensed premises and caused by persons patronizing or employed by the licensed premises or other such conditions caused by person patronizing or employed by the licensed premises that unreasonably disturb, interfere with or affect the ability of persons or businesses residing or located in the vicinity of the licensed premises to use their property in a reasonable manner; [1993, c.730, §27 (amd).]

   D. Repeated incidents of record of breaches of the peace, disorderly conduct, vandalism or other violations of law on or in the vicinity of the licensed premises and caused by persons patronizing or employed by the licensed premises; [1989, c.592, §3 (amd).]

   E. A violation of any provision of this Title; and [1989, c.592, §3 (amd).]

   F. A determination by the municipal officers or county commissioners that the purpose of the application is to circumvent the provisions of section 601. [1989, c.592, §4 (new).]

   [1993, c.730, §27 (amd).]

3. Appeal to bureau. Any applicant aggrieved by the decision of the municipal officers or county commissioners under this section may appeal to the bureau within 15 days of the receipt of the written decision of the municipal officers or county commissioners. The bureau shall hold a public hearing in the town, city or unincorporated place where the premises are situated. In acting on such an appeal, the bureau may consider all licensure requirements and findings referred to in subsection 2.

   A. [1993, c.730, §27 (amend.)]

4. No license to person who moved to obtain a license. (REPEALED)
5. **TEXT EFFECTIVE 3/15/01** Appeal to District Court. Any person or governmental entity aggrieved by a bureau decision under this section may appeal the decision to the District Court within 30 days of receipt of the written decision of the bureau. An applicant who files an appeal or who has an appeal pending shall pay the annual license fee the applicant would otherwise pay. Upon resolution of the appeal, if an applicant’s license renewal is denied, the bureau shall refund the applicant the prorated amount of the unused license fee.

**No bids were received.**

Witnessed by:

- **Don Willard**, Town Manager

- **Suzanne M. Carr**, Tax Collector
December 4, 2015

Dear Board of Selectmen:

Beginning November 12th the bid packets were advertised on our website and in the Bridgton News, the Lake Region Weekly, and the Windham Eagle. The bids were due back by December 3rd at 2:00pm and the bid opening was scheduled for 2:30pm. This gave potential bidders 21 days to submit bids for the following properties:

<table>
<thead>
<tr>
<th>Raymond Tax Map</th>
<th>Address</th>
<th>Interests to be sold</th>
<th>Assessed Value</th>
</tr>
</thead>
<tbody>
<tr>
<td>Map 30, Lot 16</td>
<td>0 Haskell Ave</td>
<td>Land – 1.75 Acres</td>
<td>$41,900</td>
</tr>
<tr>
<td>Map 42, Lot 80</td>
<td>11 Mass Ave</td>
<td>Seasonal – 0.697 Acres</td>
<td>$244,800</td>
</tr>
<tr>
<td>Map 21, Lot 02</td>
<td>0 Notched Pond Rd</td>
<td>Land – 0.19602</td>
<td>$22,300</td>
</tr>
<tr>
<td>Map 23, Lot 21</td>
<td>0 Peppercorn Way</td>
<td>Land – 1.5</td>
<td>$32,700</td>
</tr>
<tr>
<td>Map 53, Lot 32</td>
<td>0 Harmon Rd</td>
<td>Land – 1.3</td>
<td>$39,100</td>
</tr>
</tbody>
</table>

There were no bids submitted.

2 property owners paid their taxes in full prior to the close of bids:
- 11 Mass Ave belonging to Anthony Beattie
- Peppercorn Way belonging to Jane Parker

I am recommending that the remaining 3 properties be considered in the March 2016 Selectmen’s meeting when the 2016 Tax Acquired Properties will also be presented.

Sincerely,

Suzanne M Carr
Tax Collector
Budgetary Goals for FY 2015-2016

Town of Raymond FY2014-15 Goals:

- Increase appropriation for capital road improvement – based upon Road Improvement Committee report.
- Limit the use of fund balance/surplus as revenue to reduce taxes.
- Develop a core services driven budget, i.e., “what are we doing that we don’t need to do?”
- Continue to explore privatization and outsourcing of services for cost savings.
- Explore working with neighboring towns and Cumberland County government to cut costs and/or improve services.
- Maintain current service levels in roadside solid waste and recycling collection.
- Continue current trash contract unless it threatens LD-1 compliance.
- Investigate bonding for capital improvement vs. capital reserve budgeting to achieve maximum utilization of existing capital resources.
- Develop budget with the understanding that all budget areas may be considered.
- Consider department budgeting needs and anticipated needs going forward.
- Discussion Topics for FY2015-16 Goal Setting as received from Selectmen by Chair:
  - Zero or minimal municipal budget increase
  - Stay within the property tax increase for new spending, if possible
  - Evaluate new and expiring debt service budget impacts
  - Continue to invest in capital improvements and infrastructure.
  - More financial effort on Public Works equipment and possible additions in staffing (ex. Mechanic for both PS/PW)
  - Investigate the possibility of a merit pay system for employees
  - Consider referendum for a new recreational facility
  - Investigate/improve health care program option for employees with emphasis on stability
  - Discussion of benefits of rejoining the Maine Municipal Association (MMA)
  - Municipal budget should reflect minimal budget increases (if possible) with emphasis/increases on areas of need
  - Town should prepare a 5-10 year IT Capital Improvement Plan to keep digital systems and software progressively improving over time
  - Study budget to ensure that citizen services and staff needs are being met
 Fee Schedule Update

Why change now?

• None of the fees for the Town of Raymond are being changed. Changes happen with the new fiscal year in July.
• The Tassel Top Board of Directors have set their fees for next season.
• We include the Tassel Top fees at the end of our fee schedule simply to keep all fees that citizens ask for in one place.
• Any changes to the fee schedule need to be approved by the Selectmen.

The changes are:
• Adult day entrance has changed from $4 to $5
• All cabin rentals have been increased by $50
## Animal Control Fees:

<table>
