MUNICIPAL LEASE PURCHASE AGREEMENT

GORHAM SAVINGS LEASING GROUP LLC, a Maine Limited Liability Company with a principal location in Portland, Maine, (the "Lessor"), and the Lessee, indicated on Schedule A attached hereto (the "Lessee") agree to the lease of equipment subject to the terms of this Agreement and all schedules attached hereto (collectively referred to as the "Lease").

In consideration of the mutual covenants herein contained, the parties covenant and agree as follows:

1. **EQUIPMENT.** Lessor agrees to lease to Lessee and Lessee agrees to lease from Lessor the equipment listed in Schedule A together with any replacement parts, additions, repairs or accessories now or hereafter permanently incorporated in or affixed to it (the "Equipment") on the terms and conditions set forth herein.
2. **TERM.** The term of this Lease is set forth in Schedule A (the "Lease Term").
3. **COMMENCEMENT AND EXPIRATION.** This Lease shall commence upon Lessee's acceptance of the Equipment (the "Commencement Date") and continue until the earlier of (i) the end of the Lease Term; (ii) a permitted termination pursuant to Non-Appropriation of Funds (Paragraph 17); (iii) Lessor's termination of the Lease after Default (Paragraph 19) or (iv) Lessee's proper exercise of its option (Paragraph 20). Lessor shall have no obligation to Lessee under this Lease if the Equipment, for whatever reason, is not delivered to Lessee within 90 days after Lessee signs this Lease. Lessor shall have no obligation to Lessee under this Lease if Lessee fails to execute and deliver to Lessor an Acknowledgment and Acceptance of Equipment by Lessee form within 30 days after the Equipment is delivered to Lessee.
4. **ACCEPTANCE OF EQUIPMENT.** Lessee agrees to inspect the Equipment on receipt of the Equipment and to execute an "Acknowledgment and an Acceptance of Equipment by Lessee" form, in the form attached hereto as Schedule B, after the Equipment has been delivered and after Lessee is satisfied that the Equipment is satisfactory as of the time of inspection in every respect, excluding latent or unknown defects.
5. **COVENANTS OF LESSEE.** Lessee represents and warrants to Lessor that as of the date of this Lease and throughout the term of this Lease:
 - (a) Lessee is a public body, politic and corporate within the state in which it is located;
 - (b) Lessee is duly organized and existing under the Constitution and laws of said State, and is duly authorized to execute and carry out its obligations under this Lease;
 - (c) This Lease including all schedules and amendments hereto have been duly authorized, executed and delivered by Lessee; and
 - (d) No provision of this Lease constitutes a pledge of tax or general revenues of Lessee and all lease payments hereunder shall constitute current expenses of the Lessee.
6. **PAYMENTS; AMORTIZATION SCHEDULE.** Lessee agrees to pay the total rent equal to the "Payment Amount" as set forth in Schedule A multiplied by the number of payments specified in "No. of Payments" as set forth in Schedule A. Payments will be made in advance and periodically as specified in Schedule A. Payments shall be made by Lessee at Lessor's address set forth above, or as otherwise directed by Lessor. Lessee shall not abate, set off, deduct any amount, or reduce any payment for any reason. The first payment shall be due on the date of the date of acceptance of the Equipment by Lessee, and subsequent payments shall be due on the same day of each succeeding pay period throughout the term of the Lease. Lessee agrees that the Amortization Schedule delivered or to be delivered to Lessee shall be incorporated into this Lease. Lessee shall be deemed to have agreed to such Amortization Schedule as of the Commencement Date.
7. **DISCLAIMER OF WARRANTIES AND CLAIMS. LIMITATION OF REMEDIES.** THERE ARE NO WARRANTIES BY OR ON BEHALF OF LESSOR. Lessee acknowledges and agrees as follows:
 - (a) LESSOR MAKES NO WARRANTIES EITHER EXPRESS OR IMPLIED AS TO THE CONDITION OF THE EQUIPMENT, ITS MERCHANTABILITY, ITS FITNESS OR SUITABILITY FOR ANY PARTICULAR PURPOSE, ITS DESIGN, ITS CAPACITY, ITS QUALITY, OR WITH RESPECT TO ANY CHARACTERISTICS OF THE EQUIPMENT;
 - (b) Lessee has fully inspected the Equipment, which it has requested Lessor to acquire and lease to Lessee, and the Equipment is in good condition and to Lessee's complete satisfaction as of the time of inspection, excluding latent or unknown defects;
 - (c) Lessee acknowledges that the Equipment is leased to Lessee solely for the purpose of performing governmental or proprietary functions of Lessee and will not be used in a trade or business other than the Lessee;
 - (d) If the Equipment is not properly installed, does not operate as represented or warranted by the Supplier or manufacturer, or is unsatisfactory for any reason, regardless of cause or consequence, Lessee's only remedy, if any, shall be against the Supplier or manufacturer of the Equipment and not against Lessor;
 - (e) Provided Lessee is not in default under this Lease, Lessor assigns to Lessee any warranties made by the Supplier or the manufacturer of the Equipment;
 - (f) LESSEE SHALL HAVE NO REMEDY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES AGAINST LESSOR; and

- (g) NO DEFECT, DAMAGE, OR UNFITNESS OF THE EQUIPMENT FOR ANY PURPOSE SHALL RELIEVE LESSEE OF THE OBLIGATION TO MAKE LEASE PAYMENTS OR RELIEVE LESSEE OF ANY OTHER OBLIGATION UNDER THIS LEASE.
8. NON-ASSIGNMENT. Lessee agrees that it shall not assign, sublease, pledge or transfer this Lease or sublease the Equipment or any interest therein, or otherwise dispose of the Equipment referenced in this Lease without the prior written consent of Lessor.
9. RELATION BETWEEN LESSOR AND SUPPLIER. Lessee understands and acknowledges that no broker or Supplier or any agent of such is an agent of Lessor. No Supplier or agent of such is authorized to waive or alter any term or condition of this Lease and no representation as to the Equipment made by a Supplier or agent of same shall affect Lessee's duty to pay the lease payments hereunder.
10. LOCATION. The Equipment shall be kept at the location set forth in Schedule A and may not be removed without Lessor's prior written consent.
11. USE. Lessee shall maintain the Equipment in good operating condition in the same configuration as when accepted, shall use the Equipment solely in the manner for which it was intended and reasonably in compliance with manufacturer instructions, shall make all necessary repairs at Lessee's expense, shall reasonably comply with all laws relating to its possession, use or maintenance, and shall not unreasonably make any alterations, additions or improvements to the Equipment without Lessor's prior written consent. Lessee further agrees to comply with all license and copyright requirements of any software used in connection with the Equipment.
12. OWNERSHIP; TITLE. Title to the Equipment shall pass to Lessee upon Lessee's acceptance of the Equipment pursuant to this Lease, subject to the rights of Lessor under this Agreement. To secure the payment of Lessee's obligations under this Lease, Lessee grants to Lessor a security interest constituting a first lien on the Equipment and on all additions, attachments, accessions and substitutions thereto, and on any proceeds therefrom. Lessee agrees to execute such additional documents, including a UCC-1 form in the appropriate office of Lessee's state and similar instruments, in form reasonably satisfactory to Lessor, which Lessor deems necessary or appropriate to establish and maintain a security interest, and upon assignment, the security interest of any assignee of Lessor. Lessor agrees to provide the Equipment to Lessee free of liens, attachments and other encumbrances. All additions, repairs or improvements made to the Equipment shall belong to Lessee, subject to the rights of Lessor under this Lease.
13. SURRENDER. At the expiration of the Lease Term, should the Lessee choose not to exercise its option to purchase the Equipment, the Lessee, at its expense, shall return the Equipment in good repair, ordinary wear and tear excepted, by delivering it packed, if applicable, and ready for shipment to the Supplier or such other location as is agreed to by the parties.
14. LOSS OR DAMAGE. Lessee shall at all times after signing this Lease bear the entire risk of loss, theft, damage or destruction of any part of the Equipment from any cause whatsoever and no loss, theft, damage or destruction of the Equipment shall relieve Lessee of the obligation to make lease payments hereunder or to comply with any other obligation of this Lease. In the event of damage to any part of the Equipment, Lessee shall immediately place the same in good repair at Lessee's expense. If Lessor determines that any part of the Equipment is lost, stolen, destroyed, or damaged beyond repair, Lessee shall, at Lessee's option, do one of the following:
- (a) Replace the same with like equipment in good repair of comparable function, capacity and features, reasonably acceptable to Lessor in which event this Lease shall continue and the replacement equipment shall constitute Equipment for all purposes of this Lease; or
 - (b) Pay Lessor in cash the following: (i) all amounts due from Lessee to Lessor under this Lease up to the date of the loss; and (ii) the accelerated balance of the total amounts due for the remaining term of this Lease attributable to said item, discounted to its net present value at a simple interest rate equal to the interest rate set forth on Schedule A and resulting in the amortization of principal and interest as set forth in the attached Amortization Schedule. Upon Lessor's receipt of payment as set forth above, Lessee shall be entitled to the Equipment with any warranties made by the supplier or manufacturer but without any warranties from Lessor. If insurance proceeds are used to fully comply with this subparagraph, the balance of any such proceeds shall go to Lessee to compensate for loss of use of the Equipment for the remaining term of the Lease.
15. INSURANCE; LIENS; TAXES. The Lessee shall at its own expense and for the term of this Lease provide and maintain insurance against loss, theft, damage or destruction of the Equipment in an amount not less than the full replacement value of the Equipment, naming Lessor or its assignee as the loss payee to the extent of Lessor's interest. Lessee also agrees to name Lessor as an additional insured on Lessee's comprehensive general all-risk liability policy or public liability policy, insuring Lessor and Lessee against any and all loss or liability for all damages, either to property, persons or otherwise, which might result from the condition, use or operation of the Equipment, with such limits and with an insurer satisfactory to the Lessor. The Lessee's obligation under this paragraph is limited by the Lessee's limits of liability and substantive areas of liability under the Maine Tort Claims Act or its limits and areas of liability under its insurance, whichever is greater. Each policy shall expressly provide that said insurance as to Lessor and its assigns shall not be invalidated by any act, omission, or neglect of Lessee and cannot be canceled without 30 days' prior written notice to Lessor. As to each policy Lessee shall furnish to Lessor a certificate of insurance from the insurer, which certificate shall evidence the insurance coverage required by this paragraph. Lessor shall have no obligation to ascertain the existence of or provide any insurance coverage for the Equipment or for Lessee's benefit. Lessee agrees to keep the Equipment free and clear of all liens and encumbrances and to pay any and all charges and taxes imposed by local, state or federal law or authorities arising out of ownership, leasing, rental, sale, purchase, possession or use of the Equipment. If Lessee causes or allows events to happen that change the interest income tax-exempt status of this Lease, as provided in the Internal Revenue Code of 1986, as amended. Lessee agrees to pay the "taxable interest rate" retroactive to its Commencement Date. The "taxable interest rate" is defined as that rate that results in the same after-tax yield to the Lessor, or its assigns, as the tax-exempt rate on this Lease, or the highest rate permitted by law, whichever is less. Notwithstanding the provisions of this paragraph regarding insurance, the Lessee has provided the Lessor the following enumerated insurance policies, which Lessor specifies are the only insurances required under this Agreement and related documents:
16. ASSIGNMENT BY LESSOR. Lessee agrees that Lessor may assign this Lease after providing written notice to the Lessee of the assignment. Should the Lessor choose to assign the Lease, the assignee shall have all the rights and obligations originally afforded under this Lease. Lessee shall recognize and hereby consents to any assignment of this Lease.

17. **NONAPPROPRIATION OF FUNDS.** In the event no funds or insufficient funds are appropriated and budgeted for lease payments due under this Lease, the Lessee may elect to terminate this Lease in accordance with this paragraph. Lessee's election to terminate must be exercised by delivering its prior written notice of its intent to terminate together with a certified statement by an authorized official indicating that insufficient sums have been appropriated for the ensuing fiscal year of the Lessee. In the event of such termination, Lessee agrees to peaceably surrender of the Equipment to Lessor or its assignee on the date of such termination, packed for shipment in accordance with manufacturer's specifications, if applicable, and sent prepaid and insured to the location as is agreed to by the parties. Lessor shall have all legal and equitable rights and remedies to take possession of the Equipment. Termination under this Paragraph 17 shall be effective upon the expiration of the applicable fiscal year of the Lease and payment of all lease payments during that fiscal year. Lessee's exercise of its rights under this Paragraph 17 shall not affect the survival of any other provisions (other than the obligation to make lease payments beyond the applicable fiscal year) which survive the termination of the Lease.
18. **ESCROW ACCOUNT.** At the option of the Lessor, an escrow account may be created at Gorham Savings Bank to hold the Lease proceeds prior to disbursement of funds to the seller of the Equipment. Any interest earned on this account shall be payable to the Lessee. Lessor shall act as the escrow agent and shall disburse funds as appropriate under the other provisions of the Lease. Lessee understands and agrees they have no right of direct access to the funds in said escrow account.
19. **DEFAULT.** Lessee shall be in default if: (a) Lessee fails to make any payments which are due under the terms of this Lease for a period of ten (10) days from the due date thereof; (b) Lessee fails to abide by any of the provisions of this Lease, and such failure continues for a period of ten (10) days; (c) the Equipment or any portion of the Equipment becomes subject to liens, seizures, assignments, transfers, sublease or sale without prior written consent of the Lessor; (d) Lessee abandons the Equipment or permits any other entity to use the Equipment without the prior written consent of Lessor; (e) Lessee has made any misleading or false statements in connection with application for or performance of this Lease; (f) Lessee defaults in any other agreement it has with Lessor; (g) Lessee assigns its rights in property for the benefit of creditors; or (h) Lessee files a petition under Title 11 of the United States Code, or any successor or similar law.
20. **OPTION.** Provided that no default or Non-Appropriation of Funds has occurred, Lessee may purchase all (but not less than all) the Equipment for the Option Price set forth on Schedule A at the end of the Lease Term. If Lessee exercises its option under this paragraph, Lessor shall convey or release to Lessee, all its right, title and/or interest in the Equipment on an AS-IS, WHERE-IS basis without any representation or warranty.
21. **SEVERABILITY.** This Lease is intended to constitute a valid and enforceable legal instrument, and no provision of this Lease that may be deemed unenforceable shall in any way invalidate any other portion or provisions hereof, all of which shall remain in full force and effect.
22. **TIME OF ESSENCE.** Time is of the essence in the performance of all aspects of the Lease; the parties agree that this provision shall not be waived by implication or otherwise should the parties accept performance on a late basis.
23. **CHOICE OF LAW.** The parties agree that the execution, interpretation and performance of this Lease shall be governed by the laws of the State of Maine.
24. **ENTIRE AGREEMENT; NO WAIVER.** This Lease, together with the attached **Schedules A - E**, constitutes the entire agreement between Lessor and Lessee. No provision of this Lease shall be modified or rescinded unless in writing signed by a representative of all parties hereto. Waiver by Lessor of any provision hereof in one instance shall not constitute a waiver as to any other instance.

IN WITNESS WHEREOF, the parties have caused this Municipal Lease Agreement to be executed by their duly authorized representatives as an instrument under seal.

Schedule E - TAX STATEMENT

Lessee further covenants to Lessor as follows:

Lessee is a state or a political subdivision thereof, within the meaning of Section 103 of the Internal Revenue Code of 1986, as amended, and regulations thereunder (the "Code").

The Equipment will be used for a governmental or proprietary purpose of Lessee and will not be used in a trade or business of any person or entity other than the Lessee.

The Equipment will have a useful life in the hands of the Lessee that is in excess of the term of the Lease.

Lessee will comply with all applicable provisions of the Internal Revenue Code of 1986 ("the Code"), including without limitation Section 103 and 148 thereof, and the applicable regulations of the U.S. Treasury Department, in order to maintain the exclusion of the interest components of Lease Purchase Payments from gross income for the purpose of Federal Income Taxation.

Lessee will use the Equipment as soon as practicable and with all reasonable dispatch, for the purpose for which this Lease has been entered into. No part of the proceeds of this Lease shall be invested in any securities, obligations or other investments or used, at any time, directly or indirectly, in a manner which, if such use had been reasonably anticipated on the date of this Lease, would have caused any portion of the Lease to be or become "arbitrage bonds" within the meaning of Section 103 (b) (2) or Section 148 of the Code, as amended, and the applicable regulations of the U.S. Treasury Department.

Lessee hereby designates the Lease as a "qualified tax-exempt obligation" as defined in Section 265 (b) (3) (B) of the Code, as amended. The aggregate face amount of all tax-exempt obligations (excluding private activity bonds other than qualified 501 (c) (3) bonds) issued, or to be issued, by Lessee and all subordinate entities thereof during the calendar year of commencement of this Lease (the "Issuance Year") is not reasonably expected to exceed \$10,000,000. Lessee and all subordinate entities thereof will not issue in excess of \$10,000,000. of qualified tax-exempt obligations (including this Lease, but excluding private activity bonds other than qualified 501 (c) (3) bonds) during the Issuance Year without first obtaining an opinion of recognized bond counsel acceptable to Lessor that the designation of this Lease as a "qualified tax-exempt obligation" will not be adversely affected.

Lessee represents and warrants that it is a governmental unit under the laws of the State with general taxing powers, this Lease is not a private activity bond as defined in Section 141 of the Code, as amended; 95% or more of the net proceeds of this Lease will be used for local governmental activities of Lessee; and the aggregate face amount of all tax-exempt obligations (other than private activity bonds) issued, or to be issued by the Lessee and all subordinate entities thereof during the Issuance Year is not reasonably expected to exceed \$5,000,000. Lessee and all subordinate entities thereof will not issue in excess of \$5,000,000. of tax-exempt bonds (including this Lease, but excluding private activity bonds) during the Calendar Year without first obtaining an opinion of recognized bond counsel acceptable to Lessor that the excludability of the interest on the Lease from gross income for federal tax purposes will not be adversely affected.

Upon Lessor's request, Lessee shall, at its own expense, provide an opinion of recognized bond counsel acceptable to Lessor as to the above representations prior to acceptance of the Equipment.
