a) Consideration of Changing Gamolith Way to Norton Way – Erica Cressey
   Motion to approve as presented by Selectman Bullock. Seconded by Selectman Sadak.
   The name “Gamolith” was made using the first letter of each of the previous residents’ names. It is difficult to spell, and the current residents have problems with package delivery. The name “Norton” is after their neighbor’s bulldog. Ms Cressey had letters from the other family (Coppersmith) agreeing with the change. The name change has been vetted by the E-911 Addressing Officer, Public Works Director, Fire Chief, and Codes Enforcement Officer.
   Unanimously approved

b) Discussion of Standardized Municipal Meeting Rules – Rolf Olsen, Chairman
   Town of Raymond – Municipal Meetings Policy
   Adopted 10/8/2019

   Purpose

Selectman’s Meeting Minutes (Page 2 of 4) October 8, 2019
• To standardize municipal meeting rules for all Boards, Committees, and Commissions of the Town of Raymond.

Policies

• **Meeting Operating Rules** – All Boards, Committees, and Commissions of the Town of Raymond will operate meetings in accordance with *Robert’s Rules of Order Newly Revised* most recent edition, with the understanding that there may be Town Ordinances, State Statutes, or Federal Laws that will allow or dictate a different procedure (ie: super majority or unanimous votes on certain items, etc.).

• **Meeting Minutes** – *(previously a separate policy, approved on December 19, 2006, and amended May 13, 2014 and October 8, 2019)* The electronic recordings of the meetings are the official records of those meetings (when available) and any written records/minutes are supplemental to the electronic recordings unless they are the only record. The electronic recordings will be available online within 3 business days of the meeting on the Town Website at www.raymondmaie.org or will be found on YouTube. Reference: *Robert’s Rules of Order Newly Revised most recent edition* §48 Minutes and Reports of Officers.

  **Motion** to approve as presented by Selectman Bullock. Seconded by Selectman Taylor.

  **Unanimously approved**

  c) **RSU #14 Withdrawal Committee Update** – Rolf Olsen, Chairman

  Chair Olsen – We have received a counter proposal from the RSU for our counter proposal and this will be discussed at the October 28th meeting. There have been subcommittee work being done with finances and “One Raymond”. Programs will be starting up soon. There is still a need for people to fill the subcommittees.

  Selectman Bullock – The foundation has been built for the budget. We are now looking at the technology, operations and maintenance issues.

  5) **Public Comment** – none

  6) **Selectman Comment**

  Selectman Taylor – Mark Gendron does still want to be the MWAC rep and continue to share this with Don.

  Town Manager Willard – That is how we have been doing it, so that is fine.

  Selectman Sadak – We are investigating having a Parks and Recreation Director. On Oct 15th and 16th there will be meetings in the Jordan Small Middle School cafeteria to gather feedback and ideas. This will not take over Raymond Rec, it will assist. Little League Baseball is not included in this plan.

  Selectman Bullock – Tassel Top Park will be a part of this program. The Tassel Top Board met last week, and they are now an advisory board. The employees will be given full opportunity to apply for any open positions. Tassel Top as it has existed corporately has been phased out. All the Tassel Top buildings have been reroofed with steel roofing.
There will be some changes to the trail access and gating.
Chair Olsen – Maine Dressers (for Maine Partnership for Environmental Stewardship), Americorp Maine, and the Raymond Community Church are cooperating again this year to produce window inserts for low income households and will do this for up to 10 windows per house. There is information on www.raymondmaine.org. These windows save about a gallon of fuel per square foot of window.

7) Town Managers Report and Communications

a) Confirm Dates for Upcoming Regular Meetings
   ● November 12, 2019
   ● December 10, 2019

b) Reminder of Upcoming Holiday Schedule
   ● Monday, October 14th – Columbus Day

c) Reminder of Election Schedule – Referendum Election November 5, 2019
   ● Absentee Ballots may be requested now
   ● Last Day to request an Absentee Ballot is October 31st

I would like to congratulate Public Works and everyone involved, Gore Road has base paving and will have curbing shortly. It came out great and people are happy.
We will be doing an insert in the Windham Eagle. Kaela Gonzalez will be doing this. We have talked at the staff level about the name of the section. We may have a list of possibilities and ask the readers to choose.

8) Treasurers Warrant

Unanimously approved

§653. Hearings; bureau review; appeal

1. Hearings. The municipal officers or, in the case of unincorporated places, the county commissioners of the county in which the unincorporated place is located, may hold a public hearing for the consideration of applications for new on-premises licenses and applications for transfer of location of existing on-premises licenses. The municipal officers or county commissioners may hold a public hearing for the consideration of requests for renewal of licenses, except that when an applicant has held a license for the prior 5 years and a complaint has not been filed against the applicant within that time, the applicant may request a waiver of the hearing.

A. The bureau shall prepare and supply application forms. [1993, c. 730, §27 (AMD).]

B. The municipal officers or the county commissioners, as the case may be, shall provide public notice of any hearing held under this section by causing a notice, at the applicant's prepaid expense, stating the name and place of hearing, to appear on at least 3 consecutive days before the date of hearing in a daily newspaper having general circulation in the municipality where the premises are located or one week before the date of the hearing in a weekly newspaper having general circulation in the municipality where the premises are located. [1995, c. 140, §4 (AMD).]

C. If the municipal officers or the county commissioners, as the case may be, fail to take final action on an application for a new on-premises license or transfer of the location of an existing on-premises license within 60 days of the filing of an application, the application is deemed approved and ready for action by the bureau. For purposes of this paragraph, the date of filing of the application is the date the application is received by the municipal officers or county commissioners. This paragraph applies to all applications pending before municipal officers or county commissioners as of the effective date of this paragraph as well as all applications filed on or after the effective date of this paragraph. This paragraph applies to an existing on-premises license that has been extended pending renewal. The municipal officers or the county commissioners shall take final action on an on-premises license that has been extended pending renewal within 120 days of the filing of the application. [2003, c. 213, §1 (AMD).]
D. If an application is approved by the municipal officers or the county commissioners but the bureau finds, after inspection of the premises and the records of the applicant, that the applicant does not qualify for the class of license applied for, the bureau shall notify the applicant of that fact in writing. The bureau shall give the applicant 30 days to file an amended application for the appropriate class of license, accompanied by any additional license fee, with the municipal officers or county commissioners, as the case may be. If the applicant fails to file an amended application within 30 days, the original application must be denied by the bureau. The bureau shall notify the applicant in writing of its decision to deny the application including the reasons for the denial and the rights of appeal of the applicant. [1995, c. 140, §5 (NEW).][ 2003, c. 213, §1 (AMD).]

2. Findings. In granting or denying an application, the municipal officers or the county commissioners shall indicate the reasons for their decision and provide a copy to the applicant. A license may be denied on one or more of the following grounds:

D. Repeated incidents of record of breaches of the peace, disorderly conduct, vandalism or other violations of law on or in the vicinity of the licensed premises and caused by persons patronizing or employed by the licensed premises; [1989, c. 592, §3 (AMD).]

E. A violation of any provision of this Title; [2009, c. 81, §1 (AMD).]

Any applicant aggrieved by the decision of the municipal officers or county commissioners under this section may appeal to the bureau within 15 days of the receipt of the written decision of the municipal officers or county commissioners. The bureau shall hold a public hearing in the city, town or unincorporated place where the premises are situated. In acting on such an appeal, the bureau may consider all licensure requirements and findings referred to in subsection 2.

A. [1993, c. 730, §27 (RP).]

B. If the decision appealed from is an application denial, the bureau may issue the license only if it finds by clear and convincing evidence that the decision was without justifiable cause. [1993, c. 730, §27 (AMD).]

RE: A La Mexicana - Life Safety Inspection

On October 31, 2019 the Raymond Fire Department conducted a Life Safety Inspection at A La Mexicana, 1227 Roosevelt Trail, in Raymond. It is the determination of the Raymond Fire Rescue Department (RFRD) that there are no Life Safety violations or deficiencies that would prohibit this occupancy from being issued the license under review. A copy of the inspection report is enclosed.

During our inspection, the following items, which are minor in nature, will be addressed by the owner with assistance of the Fire Inspector.

1. Schedule the commercial cleaning of the Kitchen Grease Hood system which is set to expire on November 13, 2019. Upon completion of this cleaning, a follow-up inspection by the RFRD is required.
2. The Exit door from the outside seating area requires maintenance for ease of operation to meet NFPA standards. Upon completion, a follow-up inspection by the RFRD is required.
3. Ceiling tiles in the cooking, cleaning and inside storage areas of this building need to be replaced.

As noted on the enclosed Fire Inspection Report of October 31, 2019, the remaining inspection items were found to be in compliance with Fire and Life Safety standards.

If there are any questions regarding the inspection, please feel free to contact me.

Sincerely,

Wayne C. Jones

Upon inspection, found grease build-up within Grease Hood. Mr. Chavez was instructed to schedule this cleaning and advise RFRD so a follow-up inspection of the Grease Hood can be performed once this has been completed.

Locate all dumpsters at least 10 feet from the building or overhangs.

Dumpsters are a common fire target of vandals. Moving the dumpster away will reduce the risk of a fire spreading to the building.

INTEROFFICE MEMORANDUM

TO: RAYMOND BOARD OF ASSESSORS
FROM: CURT LEBEL, ASSESSORS AGENT
SUBJECT: TAX ABATEMENTS
DATE: 11/1/2019
CC:

Dear Board Members,

Good afternoon. I have two tax abatements for the Board to consider for approval. Both errors which have been discovered are likely the result of minor software issues which corresponded with the Towns Vision 8 assessment software conversion.

Abatement #1 Property located at Map 015-006 was divided into two parcels (015-006 and 015-006-B). The parcel was originally 9.9 acres and 5.9 was retained by lot 015-006-B, leaving 4 acres for lot 015-006. This parcel was erroneously assessed for the full 9.9 acres.

Abatement #2: Property owner, April McElhinny owned 2 properties on Mystic cove on the Assessment date of April 1, 2019 (52 and 58 Mystic Cove). Mrs. McElhinny has been residing at and receiving a homestead exemption on the property at 52 Mystic Cove in prior years. The McElhinny’s moved to their other property at 58 Mystic Cove in early March of 2019 and 52 Mystic Cove was listed for sale. Mrs. McElhinny requested that the homestead be transferred to 58 Mystic Cove. This was not completed in error and the homestead was again applied to 52 Mystic Cove. This property has subsequently sold in June of 2019 to new owners. This abatement action will grant the homestead of McElhinny’s property on 58 Mystic Cove as requested.

Because only one homestead is allowed per homeowner, and at the primary residence only, as a follow up action, the Board will be asked to issue a supplemental tax to the property at 52 Mystic Cove for the amount of the homestead granted in error to this property. This action will be requested in the February time frame, after the new owners have been notified of the error and to allow for the due date of the supplemental tax (60 days after issuance) to correspond with the April 30, 2020 tax due date as close as possible.

Sincerely,

Curt Lebel, Assessors Agent, Town of Raymond
# Certificate of Abatement

Voted by the Raymond Board of Assessors on: November 12, 2019
