Re: ZBA Request for Reconsideration

Dear Mr. Roma & Ms. Dobson:

As you are aware, the Zoning Board of Appeals met Wednesday, March 12th, 2025 to determine if they would reconsider the Appeal decided on January 28th, 2025, with Findings and Conclusions adopted on February 3rd, 2025. After discussion and deliberation among the Board, the Board voted unanimously not to reconsider the decision. Accordingly, the Finding of Facts and Decision adopted by the Board February 4th, 2025 stands.

I have been authorized by the Board to execute this letter on their behalf.

Sincerely,

Sandy Fredricks
Administrative Assistant to ZBA
