“How to Raise Hand on a Phone Call” to a ZOOM meeting.**

# How to Raise Hand on a Phone call

Zoom allows users to dial into meetings directly from a phone, without the use of an application. In such cases, if the participant wishes to raise their hand while in a meeting on a phone, they must dial \*9 on their phone's dial pad.

To lower their hand, the participant must once again dial \*9 in the phone's dial pad.
