Please read these instructions carefully before filling out the application.

1. EIGHT (8) copies must be submitted of **all** materials, including the application form, sketch plan of the property showing dimensions and shape of the lot, the size, set backs and location of all existing buildings, plans, location and dimensions of proposed buildings or alterations, the location of any buildings within 100 feet of the lot, and any natural or topographic peculiarities of the lot in question.

3. All materials and the correct fee must be submitted to the Code Enforcement Officer no later than 3:00 pm on the Friday at least **30 days** prior to the next scheduled meeting of the Appeals Board. If all information is not submitted by the deadline, the appeal **will not** be considered. **THERE WILL BE NO EXCEPTIONS.** The final decision of the completeness of an application rests with the Board.
4. All materials submitted must be typed or printed. Illegible applications (including signatures) will not be accepted.
5. If the applicant is not the appellant (property owner), the appellant must submit a signed and notarized statement that the applicant has the authority to represent the appellant at the meeting.
6. If the Appeals Board requests additional information at the meeting, or schedules a site walk, you will be continued to a later meeting at the discretion of the Board.
7. Any variance or setback reduction granted shall expire if the work or change permitted under the variance is not begun within six (6) months and substantially completed within one (1) year of the date of the vote by the Board. Any extension of this time must be requested at the time of the application.
8. A Certificate of Variance or Setback Reduction must be recorded at the expense of the applicant in the Cumberland County Registry of Deeds within 90 days of the Boards decision or the variance shall be null and void. A building permit must be obtained after the variance is properly recorded and before work is started. If work is started without the variance being recorded and a building permit issued, a penalty of \$100.00 per day may be imposed.

VARIANCE CRITERIA
(DO NOT COMPLETE THIS PAGE FOR SETBACK REDUCTIONS)

a. Nature of variance: Describe the nature of the variance.

NOTE: Eight (8) copies of a sketch plan of the property **must** accompany this application showing the dimensions and shape of the lot, the size, setbacks and location of **existing** buildings, the location and dimensions of proposed buildings or alterations, the location of any buildings within 100 feet of the lot, and any natural or topographic peculiarities of the lot in question.

b. Justification of variance: In order to be granted, the Appellant **MUST DEMONSTRATE** to the Board of Appeals that the strict application of the zoning ordinance would cause **UNDUE HARDSHIP. MAINE STATE LAW REQUIRES FOUR CRITERIA, WHICH MUST BE MET** before the Board of Appeals can find that the hardship exists. Please explain how your situation meets **EACH** of these criteria listed below: (If these are not answered, the appeal will not be scheduled.)

1. The land in question cannot yield a reasonable return unless the variance is granted.

2. The need for a variance is due to the unique circumstances of the property and not to the general conditions of the neighborhood.

3. The granting of the variance will not alter the essential character of the locality.

4. The hardship is not the result of action taken by the appellant or a prior owner.
