Old Business:

Martin Krauter reported the draft of the lease agreement was given to Norm Ridlon to be approved at our July meeting.

- B. Norm Ridlon-Ranger reported that income for the previous week was about \$1,700.00 and that the weather had increased business. Also, Tassel Top was in good shape and cottage rentals were coming in sporadically. Calcium would be spread on roadway for dust control. Plans were underway for landscaping parking lot area and foundation planting in areas near cottages.**
- C. Ernie Allen reported there was no need to meet with Selectmen during 1994. Suggested a meeting in January of 1995.**
