

**TASSEL TOP
MEETING MINUTES
JUNE 7, 1999**

Members present - Nathan Poore, Town Manager; Mike McCollan; Sue Maloney, Park Ranger; Deborrah Murray, Assistant Park Ranger; Bob Metz; Steve Crockett; Betty McDermott; Loretta Toder.

1. Agenda approved.

11. Minutes of the meeting of 4/14/99 were approved as presented.

111. Update on park.

a. Cabins - Shower has been installed. Bathroom is not wheelchair accessible and hopefully this will not cause problems in the future.

b. Beach - tables are all set and the barbecues are in place.

c. Boat mooring - will be placed within the next week.

d. Staff - Sue says staff is all set. They have retained everyone from last year. Nathan stated that he would like to redo the Tassel Top sign.

e. Brochures - The brochures are missing our website address. We would like this to be included. There was a discussion about the possibility of shortening our website address.

IV. New Business

a. New member, Loretta toder, was introduced to the committee. Mark Aker will be the other new committee member.

b. Review rental agreement. There was a discussion about the rental agreement with regard to the cancellation clause. It was suggested that a deposit should be refunded only if we can rent the cabin for the week in question. It was agreed that a tragedy such as a death in the family should be the only reason for the return of a deposit. This was unanimously agreed to by Betty McDermott, Steve Crockett, Bob Metz and Loretta Toder. In the year 2000 our rent for the cabins will be \$600.00 and \$450.00 off-season.

c. Season pass gifts - There was a discussion about having a ceiling on these passes. However, it seems that only one or two per year are used. It was decided that we should keep it this way.

V. Other new business - Mike talked about considering having music in the park. this would be a nice activity to get everyone together. There was some discussion about having a Gazebo and various musical programs. This sounded very exciting and perhaps would be a good way to get people to come and enjoy and familiarize themselves with the beauty of the park.

VI. The Next Committee meeting will be September 14, 1999 at 7:00 pm at the Town Hall. Meeting was adjourned at 7:15 pm.

Respectfully submitted, Loretta F. Toder
