Members Present:

Bob Metz
Peter Klepsig
Linda Morin

- I Approval of Agenda. So approved by members present.
- II Approval of September 23rd minutes. So approved by members present.
- III Recommendations for the 2004 season were approved as follows: The windows in cabin 2, staining will be done by the prisoners if the weather is okay. The North Trail will be resurfaced as requested. The trees will be taken down behind the changing room as well as the trees hanging over the tennis courts. Peter will work on marking the trees that need to be removed. It was also determined that a fan would be more practical than an air conditioner in the Gate House.
