

**TOWN OF RAYMOND  
TASSEL TOP BOARD OF DIRECTORS  
MAY 13, 2008 AT TASSEL TOP PARK**

**Bob Metz   Wendy Thoren   Amy Farmer   Stephen Crockett  
Phyllis Burnham   Susan LaMarre**

**This meeting was held at the park for the Board to tour the grounds and buildings and view the progress of current construction and upgrades. Susan LaMarre conducted the tour and explained upgrades to the cottages and systems and answered questions.**

**Her handwritten outline is attached explaining the above and will not be duplicated here.**

**New business:**

- 1. A motion to appoint Susan LaMarre as Park Ranger for the current year was seconded and approved.**
- 2. Permission was given for Susan to grant raises (at her discretion) to returning employees. Raises are given based on job performance and experience, and in consultation with Nancy Yates at the town office.**
- 3. A discussion was held concerning dogs in the park. Susan says owners are walking dogs off leash and not cleaning up after them. Reports of out of town dog walkers was also noted. Although a sign is posted that dogs are not permitted, it is still used after hours and throughout the year. It was agreed than an official and permanent sign be purchased and erected at the entrance.**
- 4. A review of the Sebago Lake Rotary's fishing derby use of the park this past winter concluded satisfactorily. There was no significant damage this year. One lingering fishing shack floated onto the beach and was eventually removed by the owner, with apologies.**
- 5. With the donation of a refridgerator for the snack shack from Bob Yates at Sears, "fast franks" will be on sale this season--a much requested snack from customers each year.**

**Board Members are encouraged to visit the park routinely !**

**The next meeting will be held September 23 at 6:00 p.m. at the town Broadcast Studio.**

**Respectfully submitted,  
Phyllis Burnham**
