I will be quoting with Travelers and Liberty Mutual, there shouldn't be any conflict since I am one of only few agents in Maine that have access to these companies programs.

Mr Vermette:

In order for this insurance RFP to be successful: Please let me know which insurance companies you have been in touch with so that potential bidders can pursue other vendors.

Additionally, if you have saturated the market as agent of record, we will work on allocating the market with broker of record letters.

Please get me this information as soon as possible.

Thank you,

Cathy
