State Referendum Ballot And Vote For Vacancy On The Raymond Board Of Selectmen

By: Louise Lester, Deputy Town Clerk

There will be 9 Referendum questions on the State Ballot Tuesday, November 2nd at Jordan Small School Gym from 7:00 am to 8:00 pm. Raymond will also be electing one Selectman to replace Stephanie Bubier who resigned in July. This new Selectman will complete her 3-year term which will expire in March, 2002.

The Referendum questions include:

- 1) Do you want to ban a specific abortion procedure to be defined in law, except in cases where the life of the mother is in danger?
- 2) Do you want to allow patients with specific illnesses to grow and use small amounts of marijuana for treatment, as long as such use is approved by a doctor?
- 3) Do you favor a \$56,042,031 bond issue for improvements to highways and bridges, airports and state-owned ferry facilities; development of rail corridors and marine infrastructure; and replace-

ment of public transportation fleets statewide that make the State eligible for up to \$112,000,000 in matching federal funds?

4) Do you favor a \$12,500,000 bond issue for the following purposes:

A) \$7,000,000 to construct water pollution control facilities, providing the state match for \$12,500,000 in federal funds;

B) \$2,500,000 to protect the State's drinking water resources by granting funds to cities and towns for the closure and cleanup of their solid waste landfills;

C) \$500,000 to protect the public health, safety and the environment by providing funds for the cleanup of tire stockpiles;

D) \$1,000,000 to abate, clean up and mitigate threats to the public health and environment from uncontrolled hazardous substance sites or other hazardous waste discharges; and

E) \$1,500,000 to construct drinking water system improvements that address

public health threats, providing the state match for \$7,500,000 in federal funds.

5) Do you favor a \$9,400,000 bond issue for the conversion to digital broadcasting by the Maine Public Broadcasting Corporation?

6) Do you favor a \$26,420,000 bond issue for infrastructure improvements at Maine's 7 technical colleges that must be matched by at least \$7,000,000 of private or in-kind donations?

7) Do you favor a \$50,000,000 bond issue to purchase public lands and easements statewide from willing sellers for conservation, water access, outdoor recreation, including hunting and fishing, wildlife and fish habitat and farmland preservation, to be matched by \$25,000,000 in private and public contributions?

8) Do you favor amending the Constitution of Maine to require that a petition for a people's veto be voted on at the next statewide or general election, rather than a special election?

9) Do you favor amending the Constitution of Maine to allow for reduced property taxes on property that will be maintained for historic preservation or for scenic views of significant vistas?

The Selectman candidates are in alphabetical order:

- Mark H. Acker
- Robert E. Akins
- Paul C. Barber
- Dana J. Desjardins
- Barry D. Lombard
- Byron L. Rogers

If you wish to write-in a candidate's name you can do that on the Ballot line provided. You should write in the name of your candidate and the name of his/her residence as Raymond. You must also check off the box to the left of his/her name.

Remember To Vote On Tuesday, November 2nd !

Principal's Corner

By: Norma Richard

I want to take this opportunity to thank all students and families who supported the Innisbrook fund raiser. Your efforts were very, very successful with over \$18,000 in sales. As previously shared, profits are earmarked to support PTA activities and Jordan-Small student activities, including assemblies, performances and field trips. I anticipate that orders will be returned to school in late October, and we will organize both afternoon and evening pick-up times.

On Thursday, October 7th, members of the Raymond Fire Department and Raymond Rescue visited with our students to reinforce fire safety as part of our Fire Prevention Week activities. I want to thank them, especially Fire-fighter Tina, for sharing their time with our students. Their presentations were outstanding this year. We have already

held four fire drills at Jordan-Small this school year, and our students are doing an excellent job following both classroom and school plans for evacuating the building in case of a fire or other emergency. I would like to encourage all Raymond families to hold a family fire drill, practicing at least two ways of exiting every room in your home, testing all smoke detectors and replacing batteries, and choosing a family meeting place outside of the home in case of an emergency.

October 19 - 22 was Bus Safety Week, and I want to thank Debi Duchaine and the Jordan-Small bus drivers for coordinating safety activities during this week. As part of our safety program all children practice bus evacuation and review bus safety rules. Older students in grades 5 and 6 are trained to operate the radio and contact dispatch if the driver is unable to. Our bus drivers want to congratulate all of the children who cooperate with them by following safety rules. A special

recognition goes to those students selected each month as the 'Bus Riders of the Month' on their bus. Our bus drivers would like to remind all visitors not to park in the bus turn around at the front entrance when you attend afternoon assemblies or presentations, as it interferes with the afternoon dismissal.

In closing, I want to share my pride in the name of our new elementary school: Raymond Elementary School. As principal, I have had many opportunities over the past two years to meet with other educators around the state. Very often when I explain that the Jordan-Small School is located in Raymond, I am met with a response that Raymond is an outstanding community. I have to agree with my fellow educators. Raymond is a wonderful community for many, many reasons, and I am proud that the strength of our community and its residents will be reflected in the name of our new school.

The Raymond Elementary School

David Johnson, chair of the Elementary Building Committee, is pleased to announce that a name for our new K-4 school has been selected and approved by the Board of Selectmen:

Raymond Elementary School.

The Elementary Building Committee was pleased that over twenty Raymond Citizens participated in the request for suggestions. The number and quality of names suggested that they all had a reason to be proud of our town and the contributions of Raymond citizens to your community.

By selecting Raymond Elementary

School as the name of the new school building we believe we have chosen a name which clearly links the school to the town of Raymond. It reflects the broad support and innumerable contributions that all Raymond citizens (past, present and future) have made to the Raymond School District. This simple, descriptive name reflects the pride we all have in Raymond.

We have also decided to recognize the contributions of three of Raymond's outstanding citizens by dedicating portions of the new building in their name. Suitable plaques will be

erected for:

Mr. Carleton E. Edwards (Media Center) who served Raymond for many years as both Selectman and State Representative, and who was a strong supporter of our school.

Mrs. Francis Small (Music Room) who has provided music instruction (and continues to!) to many Raymond people, including her years as music teacher for Raymond and surrounding towns.

Mrs. Elizabeth (Liz) Cousineau (Kindergarten Wing) whose love of children benefited Jordan-Small School students for many years.

General Colin Powell Commends Maine, Raymond CFC Representatives Attend

General Colin Powell has found a successful model for America's Promise: The Alliance for Youth – the state of Maine. Powell, the Chairman of America's Promise, visited Waterville on October 18th and commended Maine's leadership in strengthening five key "promises", or resources, to keep youth healthy and safe. A crowd of over 1,500 youth and adults celebrated how "Communities for Children" all over Maine have been improving youth access to safe places, mentors, a healthy start, marketable skills and an opportunity to serve. According to Powell, Maine is leading the way nationally in its volunteer commitment to these five promises.

Governor Angus King also spoke about the evidence of Maine's work on the behalf of its children: the state has the highest rate of child immunization in the nation; it has the lowest rate for teen pregnancy; and it has one of the highest rates of children who are medically insured. On a more personal level, a teenager from Rockland gave an inspiring description of how youth in her community initiated community service projects that have ranged from creating a safe place for homeless youth and establishing a peer mentoring program to mowing lawns and acting as runners in a local auction.

Representatives from Raymond who attended this event included Lori Rand, Raymond CFC Coordinator; Sue Ellen Gendron, representing Raymond Village Library; Mike McClellan, as selectman and youth leadership advisor; Gail Waisanen, parent and RYC representative; Elizabeth Algeo, Conservation Commis-

sion representative; and youth Amanda Scripture, Matt Waisanen, Pat McClellan, Brendan Blake and Andrew Hartig. State Representative Joe Bruno also attended, and State Senator Carol Kontos was invited as well.

Currently, Raymond Communities for Children is working on involving youth in assessing community needs, easing transitions to other schools and keeping peer groups connected, developing community service opportunities for youth, and improving programming for preschoolers. For more information please call Lori Rand, 655-4277 or Laurie Wallace, 655-2222.

Raymond Village Library

November is Children's Book Month. Celebrate by honoring a child with a book in his/her name at the Raymond Village Library. For a \$10 donation, the library will purchase a book and place a bookplate with the child's name. Call 655-4283 for more information.

The Josefina Doll Raffle will be drawn on November 28 at the Annual Christmas Tree lighting.

The Raymond Village Library honored three longtime volunteers at the October 7th meeting, Betty Shively, Betty McCleery, and Priscilla Prentice. They were each given a bookmark in appreciation and a book will be added to the collection in each of their names.

The Reading Group will meet on November 18 at 7:00 pm at the library to discuss the book, "A Woman of Means" by Peter Taylor.

The Library will be closed on Thanksgiving Day, November 25th.

The next meeting of the Library club will be on December 2nd. This will also include the Christmas Party. New members are always welcome. For more information please call 655-4283.

Year 2000 Dog Tags Available

The stickers and tags for 2000 are now available at the Town Office. You may now have your dogs licensed for the year 2000. If you are renewing a license in Raymond and the Rabies Certificate is current in the year 2000 or later, you do not need proof of your Rabies vaccination. If your dog has not been licensed in Raymond before, you will need a current Maine Rabies Certificate and if neutered, a Maine Neutering Certificate. The fee for neutered dogs is \$5.00 each and non-neutered dogs \$8.50 each.

Raymond Village Library Art Show

The Raymond village Library is proud to have art works of local artist, Martha Whitten Ladd. This will be a multi-media showing of photographs, watercolors, and oils. Ms. Whitten Ladd graduated from University of Southern Maine in 1997 with a degree in fine arts and has exhibited at the Windham Public Library, South Portland Art In The Park, and has her own exhibit at the USM Gorham Campus. All are invited to come into the Raymond Village Library to view these interesting examples of art.

Raymond Recreation Association News

Our Red Cross Summer Swimming Program enjoyed great weather on Crescent Lakes as over 100 children were trained under the leadership of WSI's Debi Duchaine and Christy Murray. Joni Merrill conducted a Lifeguard Training Course for the second year with 12 students earning Red Cross Certification as Lifeguards.

Fall got off to a great start with programs including Karate and Drama. The Youth 2004 Project continues to be very active in community events. Can you beat a tennis program of seven 5th and 6th grade children taught by 2 Tennis Coaches and 2 very capable parents on courts generously offered by Joyce Charette of Village Tennis...all at a cost of \$2.00 per student?! In its second year, the soccer program is serving over 150 students, grades K - 6. Barry Keck and Kathy Anaka have done a super job of organizing this growing program. **SPECIAL THANKS TO CAMP NASHOBA WHO DONATED ALL OF THE GOAL EQUIPMENT FOR THE SOCCER PROGRAM AT A COST OF SEVERAL HUNDRED DOLLARS!!!!**

Fall Annual Meeting

The Annual General Meeting of Raymond Recreation Association will be held on Monday, November 1 at 7:00 PM in the Jordan-Small School library. Discussions will include current and future programming. All interested persons are invited to attend. **VOLUNTEERS NEEDED TO HELP WITH PUBLICITY AND SELLING FRUIT!!!**

Update On St. Joseph's College Pool

St. Joseph's College, a private institution located in Windham, is currently working with surrounding communities to make its facilities and programs available to residents at reasonable fees. Programs may include swimming, aerobics, kick boxing, and yoga. Details are being finalized so watch for information on programming available to Raymond residents in the December issue of the Roadrunner.

Raymond Travel Soccer Team A Winner!

By: Mike McClellan

Did you know that Raymond Recreation has created a travel soccer team opportunity for children in Raymond? Parents and Raymond Recreation discussed this opportunity to allow kids to play in town as opposed to the years of playing in Windham and twenty kids returned to join our squad!

It is important to note Windham's willingness to accept our players is greatly appreciated.

The team met many barriers in the first year including no true field to call home and the early loss of our coach. In true Raymond fashion, many families stepped forward to ensure the season was a success. Thanks to all who helped! They were rewarded on October 9th by Raymond's first victory. In a well played game Raymond scored in the first half and shut out a strong Lewiston team 1-0. Coupled with two well played losses earlier in the day to Gray and Oxford, it was an exciting day of soccer. Next steps for the team include settling the field issue and finding a true coach.

Raymond Recreation is excited about this team and plans to support it as it continues to grow. The team consisted of children ages 11-13. Watch for more exciting soccer news!

Raymond Rec Citrus Fund Raiser

Raymond Recreation Association is conducting a fund raising sale of fresh Indian River grapefruit and oranges from Florida. The sale will run through November 19th. Advance orders only will be taken. Direct shipment from Florida is scheduled for the week of December 4th and will be available for pick-up at Fire Lane 111 (as in the past: follow signs) on Saturday, December 4th from 9:00 AM - noon.

Proceeds from the sale will be used for funding skiing, swimming, basketball and soccer programs sponsored by Raymond Rec. This is our only fund raising effort and we appreciate your support.

If you do not wish to purchase a box of fruit for yourself, perhaps you would purchase a box which could then be delivered with the food baskets prepared by the Raymond Fire Auxiliary. Just indicate (for Christmas Food Boxes) on the order form. We have made boxes of our fruit available in the past and they have been greatly enjoyed!!!

Raymond Village Youth Group Activities

By: Mike McClellan

The Raymond Village Youth Group recently began its new year with an organizational meeting and by welcoming new members. It is obvious that past leadership and members formed a strong team in creating this group and establishing a mission. Many thanks to Joan, Elaine, and the original members.

Recently, the group participated in a Christian Music concert and roller skating with other youth groups at the First Baptist Church in Portland and later at Happy Wheels, Scarborough. Raymond sent 20 children and 5 adults to this event and special thanks goes to John Coggan, who stepped in at the last minute as an extra driver!

Also of note, we had 3 visitors from other towns join us and many new participants to the group. On November 6th the group will staff the annual Church Fair, assisting in the childrens room and on November 13th our regular meeting will begin creating Thanksgiving baskets for families in need. For more information contact Mike McClellan at 655-4438 or John Salterio at 655-4761.

Boys And Girls Basketball

By: John Hanley, Program Director

Winter isn't here yet but already we at Raymond Rec are planning this year's basketball program. My name is John Hanley and I am the new program director succeeding Dave Burnham who with his family moved this past summer to Yarmouth. We'll miss the energy and enthusiasm Dave brought to the court and wish him and his family all the best in their new neighborhood.

This year's program will begin December 6th and end before February vacation. We are going to try Tuesday practices this season with Friday games and Saturday morning lessons and games. The program will be broken up into two groups, 7 to 9 years old and 10 to 12 years old.

To make this a successful season volunteers are needed, coaches, referees, and those who can lend an occasional hand. Experience is helpful but not necessary, a little adult guidance goes a long way. The bottom line is that the kids just want to play basketball, if we can teach them a thing or two then all the better. If you think you would like to help please contact me at the number below, e-mail or talk with me at signup.

Registration is Wednesday, November 10th, 6:30 to 8:00 p.m. at the JSS Gymnasium. \$20.00 per child payable by cash or check (made out to Raymond Rec).

For additional information contact
John Hanley, Tel: 998-5304

Troop 800 Eagle Project

One of the requirements to attain the rank of Eagle Scout is to plan, develop, and give leadership to others in a service project helpful to any religious institution, any school, or your community. The project should benefit an organization other than Boy Scouting. Life

Scout Donnie MacKay, Troop 800, chose to build a shed to replace the trash bin for the Raymond Village Community Church (Troop 800's Charter Organization)

With the support and assistance of his parents Donnie Sr. and Denise MacKay, some of his fellow scouts and an assist from Pack 800's Sandy Winde, Donnie designed and built a larger, versatile shed, on wheels no less, then demolished and disposed of the old structure. The new shed will help keep the church's yard neater by protecting the trash from the elements and animals at large until the trash can be removed.

This service project can be seen in the parking lot next to the Raymond Village Community Church on Main Street.

Raymond PTA News

Our next PTA meeting is on Monday, November 1st @ 3:30 in the library. Childcare will be available. The By-Laws for the Raymond Parent-Teachers Association will be voted on at the 11/1/99 meeting. If a member would like to review the By-Laws, there will be a copy in the JSS Office or contact one of the officers: Cathy Dodge 655-5357, Marianna Fenton 655-2266, Karyn Knights 655-3926 or Elisa Trepanier 655-7003.

Jerilyn Ward, chair of the membership committee, would like to congratulate Lisa Friedlander and Mary Lou Smith, the winners of the membership drawing. Raymond parents, faculty, and community members are all invited to join the PTA. Yearly membership dues are \$5.00. Your membership is much valued.

Please note that PTA meeting minutes will be posted on the Raymond Web site <http://www.raymondmaine.org> under the Community Organizations section.

Kindermusik And Gymboree Programs Beginning Soon In Raymond!

The following programs have been endorsed by Raymond Rec:

Gymboree is a parent/child interactive play program. It is designed to engage toddlers and preschoolers with an exciting blend of activities –from touch, language

experiences, and motor skills to emotive expression, socialization, and real intellectual challenges. Classes will be offered for children ages 2-4 accompanied by a parent.

Kindermusik is a popular introductory music program for children ages newborn to 7 years old. It incorporates the fun and excitement of music and movement while helping children develop a love of music, self-expression, and a desire to learn.

Please contact Jane Hoffman at 655-5486 for more information or e-mail jane@symsoft.com.
